

WORLD OF MONKEY ISLAND SEASON 19

Division One: LAWTON'S ON FIRE

Explorers X1 start another defence of their title with a perfect six point haul. First game of the season and a potentially tricky affair against derby rivals **Baboon Foxes** was proved to be a very one sided affair. Within six minutes Explorers were 2up and **FREDDIE** made it 3-0 after 42 minutes with a cool finish. **CARRIED AWAY** made it 4-0 with a few minutes of the 90 left. Promoted **Blazing Saddles** were also dealt with ease by Explorers in a 4-1 away win as **SEAMEY** loses both games and a harsh reality check here, propping up the table. **Dross Island** show they mean business with a fine start. First up a 3-1 win over Mountain High after going a goal down showed resilience. A 0-0 draw with **Isle of Doom** in a tight match will be a satisfactory star for **OVERLI** but he cannot afford to drop too many points if they are to live up to their massive potential. **Inter Anatra** get off to a very decent start and also pick up four points, the highlight being the win at home to **Allotmenters** who edged the possession but **READ'S** men saw them off 2-1. **FC Costa Diego** beat their fellow promoted **Blazing Saddles** 2-1 to give them a morale boosting start. **Vulture Street** grind out two draws and the signing of **TOS HAURITZ** will boost things going forward.

Division Two Round-Up: ISLA LEADING FOR NOW

Four sides take a win and a draw with **Isla Teja** leading the way. **SAMSON** spent big money end of last season so were firmly installed as bookies favourites to gain promotion this season and starting with **Hobo Central** in a derby was a real test. A 0-0 draw was perhaps more pleasing to **BREZNITZ** considering the run of play. However both teams won their second games of the session to put them top and second respectively. **Midnight Wolves** started well last season and fell away. However they start well again and were mighty unlucky not to take all six points. A 2-0 win at home over early season strugglers **Hebrides** 2-0 with **LOS BANOS** and **PACK** hitting the net. **Phonetic FC**

resurgence looks valid, also collecting four points although ill discipline could be their downfall again as **ANTIFAFF** saw red against **South Sea Rover**. **Guybrush Threep** will be reasonably happy with one win and life back in division two.

Division Three: A TALE OF TWO HALVES

Well a unique start in division three with five sides winning both games and five losing both games. Could this already be a divided division? Surprise early leaders are **Showaddywaddy** as **Wadders** sticks two fingers up at critics. First up a 5-3 home win over **Chang Seuk**, coming from a goal down not once but twice and then going on to win against a rather bemused **SBY** goalkeeper was followed up with another

fine win this time 3-0 win at **Dynamo Mario**. **Barbary Coast**, **Paroot Habashan**, **Real Anatra** and **OFAH United** also get 100% starts. **Hookers Alley** fail to register a point but some huge auction investment and three useful additions should see the Hookers and Dempsey improve from hereon in. **Burbage Moors** can only improve now all their players are suspension free.

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

The latest version now available at

SUMMAT TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the

MUTTERINGS AND MEANDERINGS OF THE KA

MIUTTERINGS AND MEANDERINGS OF THE KICKABOUT MIND

Remember that a decent reserve keeper can cost peanuts but might be the difference between success and failure if your first choice is unavailable.

Better to have a level seven then a level 2?

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure i haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

THE LEAGUE CUP

Decided to add a League Cup to the schedule for next season.

It will start on Session 2, and continues on S5/7/10/12

All games will be straight KO with no replays and will all be played on neutral grounds

Add a bit of interest to the league and more options for success!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

or direct on either email address via paypal

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb
