

DIVISION ONE MID SEASON ROUND UP

CHURCHILL LEAGUE. DIVISION 1

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 NEPTUNES NOV.	12	8	4	0	20	3	17	28
2 CARLISLE CITY	12	8	1	3	23	11	12	25
3 DAKIN UNITED	12	7	3	2	16	2	14	24

Neptunes Novices lead the way in the **Churchill** top tier & up until this session were five points clear & looking unassailable. Enter the Arsenal jitters though, like **Wadders** arriving at the top of a stairwell, nail bitingly nervy & looking over his shoulder only to see **Gareth** or **Pep Guardiola** coming up fast in the rear-view mirror. In truth the former would freak anyone out, the latter might certainly freak **Wadders** in the weeks to come.

This time last season **Neptunes** were in third spot & six points behind **Dakin Utd**, so it just goes to show the progress that has been made under Manager **David Hails** this term. Ok they maybe had a bit of a stutter this week but they still have a healthy three point buffer. A cracking 60k stadium, a plethora of talent in the ranks, they will be hard to beat. Four specialists in the squad, of which only midfield general **Burcomp** looks ageless, so could be a slight concern? Not a lot of money available just now either & **Hails** should look to flesh out the academy too but there's plenty of time for training up the youngsters. **Paddy Power** has them as the favourite to lift the title & who would bet against them?

His career may have faltered disastrously for many years after being sacked by 80's kids show **Rainbow** in a dark cloud of sexual misconduct, but **Bungle Ashcroft** has finally got his hairy act together. His **Carlisle** outfit are sneaking up from the rear & threatening to spoil the party again, (Nob, Jane & Freddy haven't been the same since). A decent but not spectacular slightly ageing squad, with a few million in the bank if required to bolster the ranks. The recent signing of the Superb Irish wingback **Seamy** will certainly boost their chances of giving **Neptunes** a run to the end but in truth they will probably come up short. A young Welshy in midfield looks a real diamond & if lady luck has her way & **Bungle** manages to bring in some youth, despite the court order, then **Carlisle** could be a real force for the next few seasons to come. A small ground that seriously needs developing (I keep telling you! - GM) with an unbelievable support & thousands in the queue for a season ticket!

Dakin Utd have been on the wain (maybe the wine? - GM) this season & Manager **Bagpuss Humphries**, despite many years of success has finally admitted that he is retiring from his position this season once a suitable candidate can be found to replace him. (Me personally? I think he's full of Snowdonian s.h.i.t, he ain't leaving) The show may have well run it's course & poor old **Niel** is a yawning tired old puss these days, losing the colour from his cheeks & fading into sepia. **Dakin's** free scoring days may be over, but the team are still in really good shape when **Niel** finally hands over the baton. A fully p/s team with no less than four stars adorning the talented squad. However, the wage bill of over 400k a week might just be enough to put off such glory hunters as **Jens 'Bitteswell' Jensen** & **Neil 'Double Pie, Double Mash, faack it, Double Hot Eels too Rodney my Sahn' Barrett** from taking over the reins.

In all honesty though & in my opinion **Paul 'Fingers' Stevens** should really be given the job. From a purely experimental point of view of course. **Paul** does love his KA wrecking ball & dishing the dosh like there's no tomorrow. If nothing else, it would be seriously entertaining.

4 RAITH ROVERS	12	6	4	2	16	7	9	22
5 PETERBRO	12	5	4	3	8	6	2	19
6 NFL FRANCHISE	12	4	5	3	12	6	6	17

Raith are next up & good old **Scotty Abraham** being a bit of a studious biblical boy, did just as he was commanded to do in the good book & is coming fourth. Same as his finishing spot last season too.

Scotty my man, the Old Testament wasn't meant to be taken literally, so maybe try for third next time? On your knees now my penitent friend.

A very decent team in truth, fully p/s, millions in the bank, **Dabayaro** looking spritely indeed & with just another sprinkling or two of the fairy dust all will be seriously rosy in the garden of Gethsemane this term & next. Just stay away from that apple orchard & that fecking snake!

Peterbro are sitting nicely in fifth spot with my old mate **Cranners** having recently taken over from the super job that **Brooksy** had been doing for many years. **Pete Brooks** will of course be sadly missed by all of the KA brethren, a real lovely gentleman, of that there was no doubt.

Having a little squint at the team & it's an oh my word! Serious talent & I'm not talking **Steadders** back in the Margate Discotheque in the mid 90s with his fake tan, hairy chest & medallion hanging out, kind of talent. No way! They have no less than four top rated midfield marauders, wingmen & a targetman combination, everything looks seriously promising & with money in the bank & a big ground, lots of fans too. My only query would be if **Cranners** decides to change the style of play, will he change the long ball & powerful runners to a more silky style of football? Who knows but whatever he decides will be interesting & could see **Peterbro** reach the very top.

NFL are next up & doing well considering their recent relegation scares of last season where they moved comfortably away from the drop zone in the final few weeks of the season. **Thommo** has his bunch of OAP's plodding along nicely but surely Captain **Farnerud's** days are coming to a close, unless **Thommo** can bung **Postman Pat Cranners** a few quid to deliver a dodgy passport? The squad are a real mixture with no true identity, youth is lacking as I say every year but **NFL** keep trundling along. Mid table will most likely be their lot. All a bit boring really, just like American football.

7 NMAC UNITED	12	4	4	4	6	7	-1	16
8 BAKER STREET FC	12	3	4	5	17	35	-18	13
9 DURNOVARIA FC	12	2	5	5	3	7	-4	11

NMAC are next up under the tutelage of the lovable whiskey swigging, get me to da choppa, **Dag Overli**. The Dagmeister has disappeared in recent times from the KA weekend scene, get yourself back there soon please, if nothing else it will keep that **Colly** fella from crying continuously into his beer all day with Daggy

KICKABOUT NEWS

withdrawal symptoms. **NMAC** are a really top team, so one is wondering how they haven't been knocking on the door of the top of the table? Lots of talent, fully p/s & stars galore. Massive wage bill though. Should really be doing a bit better but I can see a strong finish to the season & they can make their way to maybe a fourth or fifth finishing spot.

Baker Street sit in 8th spot & have had a topsy turvy season to date, having conceded a whopping 35 goals already! **Lozza** seriously needs a sweeper to sit behind the midfield trio of **Lestrade**, **Zagitova** & **Vermeer** to give some comfort to that weak backline, although they might get a tune out of young **Stravinsky** when he is coached fully. His dashing runs from deep will certainly add another string to their attacking bow & **Pavlenko** will be delighted to be finally getting some proper service, the big striker hasn't a single goal to his name as yet this season. So really **Baker Street** should be ok with a decent run now. Strewth clobber.

Durnovaria are struggling a wee bit under the pressure of the GM tipping them to do well at the start of the season. The squad has some cracking players in the ranks to be fair, but they seem short of goals so far. Expect improvement when recent signing **Cruze** returns from injury as he pairs up with **Balisatua**, a pair of goal getters for sure. **Darovic** & **Mpenza** are looking good too & a lot of young talent is about to emerge any day now from the academy so all in all they should be ok come season's end for **Manager Ian Read**.

10 W.B.A.	12	1	5	6	1	6	-5	8
11 ROYSTON VASEY	12	0	6	6	7	20	-13	6
12 K.K.S. SPARTANS	12	0	3	9	3	22	-19	3

The bottom three teams all look to be in trouble. **W.B.A**, **Royston Vasey** & in particular **KKS Spartans**. **Simon's** boys seem to have run their course, a cracking little team that punched above their weight for years in the top division but the lack of goals this term is haunting them. They do turn up week in week out with the usual par for the course defensive performances, but they look to be going down & in truth it might not be a bad thing overall with time to rebuild. A decent squad with money in the bank but they have lost their midfield powerhouses of years gone past that have aged or retired so they simply haven't the quality any longer. Time for a reset. Let's go sailing with Simon. Sunset cruise & all aboard.

Royston might be rated third out of the overall league managerial ratings system but they are hovering just above the drop zone. Abandoned in recent times by the unscrupulous **Jens Jensen** they are now looked after by a certain **Mr. Overli** who has the club back on an even keel despite their precarious position. In truth they have a good team, p/s, specialists & **McGregor** is in sparkling form once more covering every blade of grass. Slightly ageing with a few players not quite at their peak fitness either although they do have a couple of youngsters coming through just now. They could stay up but a season in the 2nd division might do no harm either.

Bottom feeders are **KKS** & **KP** has been babysitting them for **Jack Smith**. Bit of a hodge podge squad but **KP** knows what he's at so a season of rebuilding will be of great benefit. They have plenty of money for the rebuild too but an eye needs to be kept on the wages as they are quite high just now.

DIVISION TWO MID SEASON ROUND UP

Little Moscow lead the way in this division as manager **Morten** roars to the opposition 'Take on me!' each week, not much of a singer but he does look the part! Three points clear at the top with a decent squad but might struggle when they get promoted due to a lack of

1 LITTLE MOSCOW	12	9	2	1	25	3	22	29
2 ST. ANDREWS	12	8	2	2	30	13	17	26
3 WHOVENTUS	12	6	4	2	11	6	5	22

star fairy visits & squad depth. Some good players in there though with the likes of **Petrescu** & **Keller** the anchors in midfield. **Zazabeezi** & **Mclair** could do with a target man for their great crosses though. So who knows, maybe with a bit of TLC from our tree hugging friend they might surprise everyone. He has been known to have been a bit of a lucky bastard in the past, seems the sun always shines on MJ, or was it TV? See you next month my friend, make sure my sun lounger with cooler box by the pool is well stocked!

St Andrews are next up & still recovering from the very strong Anti 'Lawton' biotics that they have been prescribed for a few seasons now. Not quite back in tip top health, the squad suffer from regular aches & pains due to being a creative skill team & with their eejit of a manager **Seamy** who is known to throw a party or two. Midfield dynamo & club captain **Tomasson** looked great a few weeks ago but then he got injured losing his sparkle as an apparition appeared to him in the wee hours. The Ghost of Craig Lawton visited while he was taking a pee in the dark. "It wasn't the ghost that freaked me boss, it was that ghostly white cucumber that he had in his hand!" cried Tomasson. The poor fellow proceeded to trip over the cat causing a nasty injury. Hasn't been himself since. Neither has Tiddles, the poor moggie. The Ghost of Lawton may well have been finally exorcised.

Into the top three we have **Whoventus** with **Kevin Presland** at the helm, **Kev** hasn't been feeling so great lately so the very best of luck my old mate. Might I suggest using two PP's for a full recovery? A defensive set up with two midfield stalwarts shoring up the back line, they don't concede many but could do with an extra impetus in attack to score a few more goals. Plenty of funds in the coffers too for some spending when required, Captain **Brundle** is looking good & there is a glut of starlets about to come through the academy ranks. All good.

4 BELVOIR ROVERS	12	7	1	4	20	17	3	22
5 CLEAN FOXES	12	6	3	3	36	19	17	21
6 NORTHWICH	12	5	2	5	23	21	2	17

Next up are the mighty **Belvoir** with **Shameywamey** currently nursing them back after their relegation last year. In truth they are still in rebuild mode as they were in a bit of a mess so another season in this division would be prudent. Success will be ensured if that pink tutu wearing bitch **Tinkerbell Ashcroft** makes a visit or two sprinkling her stardust.

Clean Foxes under **Torleiv** are a treat to watch week in week out with their crazy creative style of play & a defibrillator issued to everyone in the crowd. A massive squad of 24 players are bleeding the club dry though & **Torleiv** needs to quit the old boys club & move quite a few of these has-beens on despite their ability to turn a game. Having recently discovered an absolute prodigy in **Proseco**, a player to build the club around, **Torleiv** decided to cash in & duly sent him packing to **Hargraves' Malwinka** for 5.5m. A head scratcher for sure. But loads of money, big ground & youth to coach.

KICKABOUT NEWS

Northwich just make it into the top six with **Fingers Stevens** in the hotseat & in serious debt. Quelle surprise! The squad is good, well trained & with youth to coach all looks decent enough. A star or two wouldn't hurt & at least young **Dominus** is nearly ready to take over the goalkeeping mantle from old flapper **Tolstoy**. Selling off both **Graziani** & **Popenfuhrer** would bring in some much needed funds to get that debt down right away before it becomes a mess?.again. Rinse & repeat.

7	ROMFORD LIONS	12	3	5	4	11	16	-5	14
8	CELTIC WARRIORS	12	3	3	6	12	18	-6	12
9	ROYAL WOOLWICH	12	3	2	7	18	35	-17	11

Romford sit in seventh but not quite heaven, old boy **Barrett** the curry thief still in the hotseat. Big decision to be made on whether to coach midfield attacker **Ublin** or get a few quid in for him now? Team is good, lots of p/s, few quid in the bank & youth is decent too. Some cracking names in there amongst the youngsters all coming from families in the East end. **Alrite Treacle**, **Jellied Eel** & **Our 'Enry** all kids of promise with the sound of Bow Bells ringing in their ears. Maybe a tilt next season after another year of consolidation will do the **Romford** boys well.

Celtic Warriors are struggling a bit this season with **Manager Dave** struggling with a small squad. There is some money there to get the bodies in which would really help them out too. Captain **O'Connor** isn't quite at his best, close though with **Thomas** his partner in crime in the middle third. The rest is a wee bit of a mess but can be addressed quickly with a few players to be shown the door.

Royal Woolwich are up next & sit right in the middle of several teams all fearing the dreaded drop. **Manager Wadders** doesn't like the old tumble downwards. A shocking defence is their main issue, they concede so many goals & any wonder as they don't have a single senior defender in the whole squad! Sort it faackin out Wadds! A big decision is also going to be made at board level shortly as both **Quito Mex** & **Bos Fridgey** are costing the club a whopping 625k a session! I know **Wadds** has a few quid but who do you think you are mate Peter faackin Ridsdale? Get it sorted son.

10	MIRUS MARVELS	12	2	4	6	7	12	-5	10
11	MERCURY ROVERS	12	2	3	7	7	22	-15	9
12	LEICESTER CITY	12	2	1	9	11	29	-18	7

Mirus, **Mercury** & **Leicester** are all in the bottom three. **Mirus** are a decent team, currently unmanaged & should be mid table at least. A few quid in the bank, star goalie, star FWS, star Captain, midfielder, DF/A & an FWT. Roll up roll up, who wants the job? Have a free season says Mister Dempsey.

Mercury are going down & will benefit greatly with a season in the third tier. Manager **Mark Napier** could do well to offer up young **Meghan** for sale while he still has value, he would fetch a nice fee still to aid in the rebuilding. Young **Bankio** should be the priority for coaching, as **Hugo** is out of his depth now between the sticks. **Cochise** is still the star man in midfield & if midfield general **Ostenstad** stars or gets a rejuvenation then there will be a cracking base to work from.

Leicester are bottom dogs but could & should be doing better. An interesting three winger combination in the team is a bit strange as all cannot play together on match day. **Dubois** & **Figo** are both stars so

maybe let **Perth** head off for pastures new? **Narvik** pulls the strings in the middle & there are already quite a few 18 year olds fully coached & in the first team. So the squad is good, the position in the league is not.

CHURCHILL LEAGUE. DIVISION 3

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 WELLHAM WAND	12	8	4	0	32	3	29	28
2 KERNOW PANTHERS	12	7	2	3	31	14	17	23
3 MALWINKA	12	6	5	1	9	4	5	23

Wellham are off & running, leading the way, in their journey back to the top table with a five point gap to second place **Kernow**. A serious injury though to their keeper this session could leave a big question mark now? **Big Bad Bo** was not a happy bunny on the touchline, his face bright red with anger, big tomato head on him as captain & custodian **Cohen** will be out for several games in the run in now. Squad is good, with both **Gregsson** & the dashing **Shamy** starring in their roles, though **Warnock** the marauding midfielder hasn't got up to speed this season & could be let go? Youth is decent, funds are there for more purchases, **Wellham** are on their way back.

Kernow are in second place & have a strong squad for the final games of the season which should see them in good stead come promotion. **Dahl** & **Gilmour** provide the main threats & young **Buchabreast** up front is a cracking talent when he's not making a tit of himself on nights out, all over the tabloids & social media ffs. A well supported club too with nearly 25k fans which is great for a third division club, Manager **Humphries** happy enough with the progress made so far.

Malwinka are next up with the ever cuddly & loveable **Dave Hargraves** in the hot seat. The fans were really excited this week when the news came through that the club had achieved a major coup in signing young **Proseco** from the **Foxes**. **Malwinka** already have some great talent throughout the slightly ageing squad & the signing of the young powerhouse is the perfect addition at this time. A few more stars, bring a few more youth through & all will be good. Should achieve promotion & **Dave** will have one eye on best defence now with **Wellham's** goalkeeper injury crisis.

4	FINN HARPS	12	7	1	4	29	20	9	22
5	AFC DJELIBEYBI	12	7	1	4	21	22	-1	22
6	THE PSYCHEDICS	12	3	4	5	13	13	0	13

Finn Harps are right behind with a slightly better goal difference over **Malwinka** as **Manager Colly** mimics his love of all things **Cliftonville** with plenty of goals at either end of the pitch. The club is well run with very tight wages & let's face it they need to be with **Colly's** expensive annual vacations to Mar a Lago in Florida for the world's most Orange man contest.

Iss Ooo & **Humphries** are the mainstays of the team but they have some defensive issues at times with utility journeymen playing at centre & full back positions. But in truth that is nitpicking as the team looks good, could do with another star or two and they do have some nice young prospects already in the squad with **DJ** & **Barone** plus a few more right about to qualify & earn their first professional contracts. They will be in the mix for promotion for sure.

AFC Djelibeybi are hot on their heels & **Tim Dodge** has the fans all excited with the rollercoaster journey that they have been on. The squad has some very good talent throughout & it will take right until the end of the season to have everyone in top shape but it could depend on whether they are winning more games than losing. **Bitton**, **McSith**

KICKABOUT

NEWS

& **Gruber** are running the midfield engine with star man **Tai Zhong** up front leading the line. It's taking time to turn the ship around & **Tim** will get there.

So the top five teams are away & clear as in sixth spot we have **The Psychedics** who are nine points behind dodgy **Tim** above them & currently unmanaged. Basically a full team of well coached players, over 4 mill in the bank, two stars, an MF/A & an MF/D in their ranks. A free season, who wants it?

7	ZAPORIZHZNIA	12	3	4	5	6	12	-6	13
8	ULTRA MILAN	12	3	3	6	8	26	-18	12
9	BOLTON RANGERS	12	2	4	6	6	16	-10	10

The Ukranian outfit are next with fashionista **Rob Scott** on the catwalk having jumped ship a few times in recent seasons. Is **Rob** getting a name for himself as a firefighting type manager in the game? A Big Sam? Drinking pints of gravy while clad all in leather? Hmmmm kinky. **Orange** & **Bandito** are two players of top quality, with the club physio having to wrap the former in cotton wool during each training session, can't have that shine disappearing! Just need to ensure **Bandito** is coached sooner rather than later & then pile the youngsters in. All looks really good here so they should have a strong end to the season.

Ultra Milan are an interesting team, sitting quite lowly for some unknown reason so what's going on there **Johnny boy Samson**? Three midfield specialists, bit of a power team, four stars already but have surprisingly only won three out of twelve games having conceded twenty six goals which is by far the worst defence in this division. The nuts & bolts are there for **Milan** to be right up there so they just need to kick into gear now to save their season.

Bolton Rangers are just behind & a bit of a **Milan** light squad, not quite as talented but certainly not bad either. Two stars in the ranks, Zulu Bantu the main man, flirting with p/s & a few squid in reserve. Should finish comfortably in mid table.

10	MIDLAND EXPRESS	12	1	6	5	8	15	-7	9
11	ASTON PARK RVRS	12	1	6	5	3	11	-8	9
12	REEL ELVET	12	1	6	5	4	14	-10	9

Midland, Aston Park & Elvet are all neck & neck on nine points apiece. **Midland** are a bit of an enigma as **Hugo Allen** is assembling a good little squad here & they should be nowhere near the trapdoor to division four. Plenty of star quality on show throughout the team & they also have the likes of **Pinto** & **Danny Clambake** the anchormen in midfield. Should easily have enough in store to move away from the bottom with a bit more adventure in their play.

The long suffering **Aston Park** are also down there as they simply can't score goals with any regularity. A full power team, they should be doing much better especially with the quality of **Popescu** & **Ali Madd** in their team. Maybe a stint in the lowest division will suit them to come roaring back.

Another power team down at the bottom are **Reel Elvet** who are having a dreadful time of things just now. The fans have been questioning the manager's commitment to the team as he sacked the entire scouting network at the club only to take on the role himself, as he jets off here & there on scouting missions to such well known footballing destinations as Barbados & Thailand. **Elvet** aren't a bad little team at all, they just have a bad little manager. Only kidding. They are just a little shallow in the squad ranks so any injuries really hurt them on match day but to be fair to **Nob 'Judith Chalmers' Lewis**, she is addressing this with the likes of **Grakel** & **Cabbage** emerging into the first team.

CHURCHILL LEAGUE. DIVISION 4

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 STOCKPORT DEVS	12	11	1	0	43	4	39	34
2 AFC YAVIN FOUR	12	8	1	3	28	15	13	25
3 S.P.G. DERBY	12	7	2	3	34	11	23	23

Stockport are well clear with eleven wins from twelve games & have the best record in the entire league so far. Manager **Craig Lawton** is quickly rebuilding this **Stockport Devils** side, who once graced the first division many cucumber patches ago. A very talented team here & they should probably progress through the divisions as the foundations are now there. **Anielewicz**, **Fernandez** & **Alzapedi** are all looking great for next season already. Academy graduates **Styr** & **Craiglini** are forcing their way into the first team as well & young goalkeeper **Hjorund** will soon be taking the reins from over the hill **Derry**. The transfer funds are all gone so it will soon be time to sell off a couple of journeymen towards season's end which will provide a few shillings for next year. Top scorer is a possibility while best defence should really be a shoo in. Wages are excellent, but **Edgely Park** is looking a bit dilapidated these days so a lick of paint & a few new seats would be great for the Devils' fans. Fork out Craig you miserable git! **AFC Yavin** are second & making good progress under **Manager Read**. The squad is full of some real talent with the likes of **Marker** & **Romischi** but are a mixed bag in other areas although there are plenty of youngsters in there ready to be coached up. Attention should be given to **Ackbar** as he will surely appear between the sticks in a session or two. A job well done here for sure & promotion beckons. **SPG Derby** are going well too with **Manager Sutton** breathing a huge sigh of relief as he looks to be finally turning their fortunes around after many years of immense suffering. The squad is very good & with a real attacking flair coming from midfield with the likes of **Antwerp**, **Kournikova** & **Gil** all providing the impetus for goals. **McTaggart** benefits from the through balls & sits proudly at the top of the scorer's charts for this division. Plenty of funds too as **Sutton** is renowned as a bit of a tight arse, especially when it comes to getting a round in. They should go up without an issue & **SPG** now have a very promising future. Another job really well done.

4	CLUB FORMOSA	12	6	2	4	19	7	12	20
5	BEDDGELERT UTD	12	5	4	3	23	6	17	19
6	ELEMENTALS UTD	12	5	3	4	23	17	6	18

Club Formosa are next up & breathing right down **SPG** necks as **Manager Barney** has loosened the purse strings recently to invest in his squad. A full young p/s team is to be complimented but **Haji** aside they lack any real special talent in their side. The club is very well managed but some of the warchest should be invested to enable the club to achieve promotion & kick on.

Beddgelert are in fifth spot with the experienced **Warwick Mansell** in the hot seat. The squad is basically running at it's peak, everyone looks to be on their 'A' game. **Barnaby**, **Castro** & **Tusk** are the big hitters in the team & they could easily go on a run putting pressure on the two clubs above them. Plenty of youth on display here too which **Mansell** hopes will attract the fans back to the **Mountain View** ground as they have one of the lowest followings in the entire league.

Elementals come next & slowly making progress with **Hudson** at the helm. A decent blend of skill & power players which gives the manager options, the squad also has a good blend of youth & experience. **Maker** the captain barks the orders & calls the shots from the centre of midfield. **Tamwar**, **Tedley** & **Ori Jedi** lead the line & score the bulk of the goals. A good team that might not be promoted this term but will be in with a shout next season for sure.

KICKABOUT NEWS

7	NEWARK FOREST	12	4	5	3	14	9	5	17
8	BOD FF	12	3	5	4	4	11	-7	14
9	ACRE RANGERS	12	4	1	7	10	20	-10	13

Newark are just behind in seventh spot & were struggling badly until this session when they picked up four points to ease their worries. A shallow but talented team has flattered to deceive this term. Only one star so far doesn't bode well though & there are a few senior players in the ranks so unless the likes of **O'Hennessey & Cain** can remain in good form then I would be concerned for them going into next season. On the other hand there are large amounts of cash available & a nice few young players in the ranks too.

Bod ff have been left in the shit now that **Cranners** has cleared his desk & abandoned them. He reportedly stole Postman Pat's van, all the envelopes, parcels & Jess, his black & white pussy. Nice pussy. Good little team here though for someone to take over & Mrs Goggins has said that all CV's are most welcome.

Acre are close to the bottom with **Ironopolis**, **Reigate** & the pointless **Rivendell**. **Acre Rangers** are drifting aimlessly without a guiding hand at the wheel. 5 million in the bank & a squad bereft of talent. If anyone fancies a real labour of love, then this is the team for you. All enquiries to Nearlyasshitaselvet.com

10	IRONOPOLIS	12	2	5	5	4	7	-3	11
11	REIGATE ALBION	12	0	5	7	3	16	-13	5
12	RIVENDELL	12	0	0	12	2	84	-82	0

Butters is having a whale of a time down **Ironopolis** way where it's never mind the footy lads, let's have some art classes for our ageing squad instead!

It doesn't paint a pretty picture though as both **Douglas & Manger** in particular, who are two midfield attackers, raking in a right few quid between them despite looking extremely unfit. **Butters** does love his players though & is frequently seen giving out the fresh oranges with the Benson & Hedges at half time. So thoughtful.

Reigate are next to bottom & poor old **Butters** managing two of the bottom three teams in the entire league certainly paints its own grisly picture. 'The Scream' by Edvard Munch springs to mind? Well, they do have a wingback & a star player in midfielder **De Clare** & a nice little shed with nets, bibs, cones, paint brushes, aprons & a gimp in Lewis who lives there while doubling up as the groundsman.

Rivendell, wow. The team looks like the KA version of Gaza starring Paul Stevens as Netanyahu. They did score two goals mind you. Erm, other positives, well, erm Ganymede! Nice moon. Erm, money! Plenty of it. All joking aside I absolutely admire **Mister Hails** for this experimental project. It may take a season or two (2050 then? - GM) to come to fruition but it's certainly interesting.

Kickabout would like to point out that all opinions, slagging off, and pure virtul in this newsletter are the property of Garteh Ashcroft and all compliants should be directed to him, at The Shed 1A Bollocks Lane, Chislehurst, Kent!

BOWLING ALONG

2nd round replay highlights

W.B.A made easy work of their bowl replay away to **Celtic Warriors** with a three nil rout at **Western Park**. **Simon** sails into the next round now.

The end to end 4-4 between **Belvoir & Elvet** wasn't to be repeated as **Belvoir** eased into the next round with a comfortable two nil win at **Booker Park** with a double from Sanders as **Nob Lewis** makes plans to go scouting in Machu Pichu.

THE LEAGUE CUP

Quarter finals 2nd Leg Highlights

Carlisle leave it oh so late as **Hugo, Socrates & Glyndwr** drag them from the brink to see off **Raith** in the second half. A 7-4 win in the end but didn't they leave it late?

Durnovaria & NMAC couldn't be separated over 180 minutes plus extra time so on to the dreaded penalties. **Durnovaria** win through 4-2 as **Saveitsson** lives up to his name with two fine stops.

Kismet with the only goal in the first half halted the **NFL** from any further progression & it's **Neptunes** that go through to the semi final now.

The battle of the Lemon Squeeza's as **Wadds** took on **Barrett's** boys at the **Lions Den**. Despite **Romford** dominating throughout & creating enough chances to level the tie at least, **Woolwich** hit them on the break twice with goals from **Ramses & Amazonas** to see the **Royals** through.

SEMI-FINAL DRAW

Durnovaria vs Royal Woolwich

Neptunes vs Carlisle

Can **Carlisle** upset the current league cup holders **Neptunes** in a rerun of last year's semi & make the final this time? A toss up between **Durnovaria & Woolwich** for the other place. I predict a **Neptunes** vs **Durnovaria** final, I have crystal balls you know.

(To be played on session eleven on neutral grounds with replays)

TRANSFER TRAILS

Adierockcrusher heads off to **W.B.A** as he brings his regimented discipline to **Simon's** sinking ship, will it be 1.5m well spent though?

Bungle Ashcroft shows off his new signing **Clubfoot Seamy** with a big hug in front of the fans, a cool 1 million lashed on a player that not a single other manager made a bid on!

Peter Brooks was only going to one club in this league, **Peterbro** of course, as 2.6m brings **Brooksy** home. It was written in the stars for sure.

Rob Scott welcomes **Madregale** to the **Zapor** club, a younger goalie an improvement on the current incumbent **Fuentes**.

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **Bungle Ashcroft** of **Carlisle**, closing the gap on Neptunes at the top to give Dave Hails a worrying run in.

DIVISION TWO: goes to manager **Wadders** of **Woolwich**, cracking session with four points on the board & beating his Cockney rival in his own back yard.

DIVISION THREE: goes to manager **Dodge** of **The Jellies**, six away points, great session Tim!

DIVISION FOUR: goes to manager **Presland** of **Newark**, a massive four points this session.

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO

- Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

MIUTTERINGS AND MEANDERINGS OF THE KICKABOUT MIND

Remember that a decent reserve keeper can cost peanuts but might be the difference between success and failure if your first choice is unavailable.

Better to have a level seven then a level 2?

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure i haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift **ALL** of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

wins for the **Hawks & Comp** settke this group and as expected the big two slide through and can relax with one game to go.

Still all to play for here in what one might have expected to be the eaisest of the groups. **Ugle Betis** through after a draw against **Catton** who have to ensure they don't lose in their final match against the Sprouters to go through

We're back Craigins pucnhes the air after their crucial win at **Daggers**. But his side have to win their last game cos Dagers can still get to twelve points

Last game sees **Burnham** away to **Celtic** whose defeat of Dakin puts serious pressure on the latter. But if Nevada lose then Dakin can still overtake them and qualify. Both lose and **Danetown** could overtake them both

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Because of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with two season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!

MESSI QUICK LEAGUE - HAVERING TOWN

- Poor season for them this campaign, dropped by Bertie Barrett and mishandled by the Breznitz. Might be going down from the first but I think they will come straight back up.

CLOUGH LEAGUE -- RED STAR UNITED.

First division stalwarts get in near the top with this team. Something to build up from?

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 - sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
