As I scroll down the **Burnham** squad and fail see the word 'STAR' anywhere, it almost brings a smile to my gorgeous face. I would smile a lot more if my club was still in a state to challenge, but it isn't, it's shit. So, what will the manager do? Will he start flogging off the likes of TAFFY, DAVOS and RANDANCU and rebuild, or is he gonna hold what nerves he has left after last year's pubmeet where it looked like those 10 IPA's had blown off his head!. Interesting times here, but if they stay, it may be one final title for them as a swansong. Make no mistake about it, (dirty) Tommo has got his **Ferenghi** upstarts rocking and rolling this season and if anyone can topple an ageing Burnham (before they actually age) it's this group of hungry power players. The addition of FLORIDA COL makes them even stronger at the back and with UZURI, SANGRIA, NOG and FU SUK LI establishing themselves as an awesome foursome in the middle, they are not going to lose many games now, if any. Can he take the title and prove power can win over creativity? Granddaddy KP is still running **Newark FC**, or at least he was the last I heard, and punching well above their weight. This 'should be' mid-table outfit are certainly over reliant on the ageing midfielders YOSSEV and INGESSON. In fact, the latter is just about to qualify for his bus pass and cheap fish and chips so no doubt he'll be spending more time with the manager. There's no money left here now but he does have loads of MP's so watch out guys for a surprise or two in the latter half of the season and what a defence to date; one goal conceded; tighter than Dempsey's wallet here.

4 WANDSWORTH TOWN	12	6	5	1	24	3	21	23
5 LANCS VILLANS	12	6	2	4	24	22	2	20
6 BOLEYN BOYS	12	5	1	6	29	18	11	16

Ah, so we come to Brutus (the Wordsworth of the Monty league) with **Wandsworth Town**. He'll be looking at this potential demise of Burnham and thinking it's mine soon ha ha ha and I don't have to push anyone down the stairs to get it. Well, he could be right the cuddly, exceptionally hairy ape, but there's work to do here; it's a mish-mash of P and S and a couple of star fairy visits would certainly help in the right places. It might surprise a few to see Mr Stevens and his **Lancs Villans** up in the top half of the table but with 17 squad ready players they are at least versatile in what they can play. Close to £1m overdrawn though (nothing changes!), I'd say the chairman is chomping at the bit to see the manager offload at least 3 of these. A good season so far and a good blend of youth coming through. Broken Toe Bad Dad Barrett, the man who likes falling off chair and with no weekend wins 'EVER', has surprised even himself this season with how well his **Boleyn Boys** have progressed - until this week eh, which was a disaster! This worried hammer is ready to coach his youngsters now with keeper SHED, already bringing admiring glances from

Brutus, ready to learn the ropes. A good fan base here, cash in the bank; it's a proper East End outfit. PROPER I said (and Danny Dyer agrees).

7 PSV LOFTUS	12	4	4	4	10	15	-5	16
8 ABBEY ROAD	12	3	4	5	9	13	-4	13
9 AJAX	12	1	8	3	3	7	-4	11

Yes, ok, **PSV Loftus** are in a bit of a mess and I must hold my hands up to that. A lack of stars hasn't helped but there's not a lot here to cheer about. It might take a relegation and rebuild to bounce back. That's five years of my life gone!! Potentially night crawler Dag's **Abbey Road** are real challenger's next season. Yeah, so there's no money in the bank but the right players have starred and if DE ASCENTIS gets the rejube then the core of the squad is there to challenge. No sign of any youth though and therein lies the problem for now; it could be a great midfield but with very little support, a bit like having KEANE and VIEIRA in the same team but with wingers named C. Dempsey and C. Dempsey - totally fooked! **Ajax** are the dirty dozen for sure and can't find their way to the net; just 3 goals here. Manager King has them close to 100+ DP's already (oh my!) and those suspensions coming will no doubt hinder any climb up the table. There's still a bit of cash to spend here even after the excellent addition of ROKCRUSHER, though with a well-balanced squad nothing much is urgently needed (apart from some who can find the net) so it's either going on a youth buy or being saved for that next special player. Safely finishing in the pack I reckon.

10 BLACKPOOL	12	3	0	9	13	44	-31	9
11 RED CASTLE	12	2	0	10	17	36	-19	6
12 FC AMAZONAS	12	1	0	11	6	27	-21	3

Apart from his devilish good looks, swept back curls, Irish charm and world-renowned late-night posts on X (formerly Twitter), my Guinness guzzling 2nd best Irish friend (I only have two) Colly and his **Blackpool** side are certainly lacking in specific areas. He is no doubt grateful he has got four stars in this squad already as the rest of it is looking as threadbare as the hair on Paul Sutton's head. He's conceded 44 goals already, only Womble Town are worse; truly shocking - sort it out you mother and keep her lit! Youth youth youth is the way ahead now to ensure he can get something resembling a full squad ready for next season, whichever division he ends up in! D minus for performance; B+ for gorgeousness!! It looks like relegation is looming for **Red Castle** as not even a few appearances in his P/S dressing gown can prevent Mr KA himself from taking this club down. There are some very decent players here but too many faders in my opinion (which is gonna hurt early doors next season) and no cash to spend. The fans slogans of 'bring back Cranners' is just adding to the pressure on the old boy! Oh dear! Huddy took on the reins at **FC Amazonas** from fader Steadman and is certainly pointing them in the right direction. Yes, they are not going to win anything this season I doubt (possibly the bowl though which according to Seamy is the only one worth winning) but in terms of 1st division sides focused on the future they are definitely at No 1. TOMSK, RAMOS, KIEV, JUNGLE, it's a bit like the Man Utd class of 92'. Better times ahead for sure.

WACCY BACCY, STORMY DANIELS AND FOIS-GRAS

NEWTON LEAGUE. DIVISION 2

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 HUDDERSFIELD FC	12	6	6	0	10	0	10	24
2 MANCHESTER DEVS	12	6	4	2	12	6	6	22
3 GALWAY GAELS	12	7	1	4	17	16	1	22

If **Huddersfield FC** were to get a couple of stars in the right places, then they could be real challengers next season given the possibility of Burnhams demise. However, they still wait and with little youth on show here it could be all or nothing with those years of Danny Smith building a huge cash balance to splurge wasted. No defeats so far but a lot of draws; needs some major decisions here! Fingers has **Manchester Devils** going along nicely. They're not ripping up trees but they are still a difficult side to beat on their day. Their stadium needs an increase, it's one of the smallest in the Newton, but with a couple of stars already they are in decent shape for next season too. As sure as the sun rises in Majorca every day, or as he pulls his **own** pint before the horde of waiting, thirsty, cash paying customers, or as he browses the cosmopolitan shops of Pollensa looking for another shirt to topple Cranners as No1 funky holiday shirt king, our Seamy 'nearly' has **Galway Gaels** set for top flight footy. They probably need a couple more star fairy visits to ensure a very good season up there but with DRISEOG still pretty young, and a combination of CRIMEA and HAIFA ready to link up, this little Irish fella will be looking forward to tussling with Brutus next year (though not in anyone's shed!).

4 BERRY BROW UTD	12	5	5	2	14	9	5	20
5 NEW ELVET	12	5	4	3	20	9	11	19
6 DUTCH COURAGE	12	5	3	4	18	14	4	18

Cash king Condon has **Berry Brow Utd** firmly on track to return to Division One a much better side than last time with talent of plenty including BROOKS from this week's auction. It's touch and go whether they go back this season or next but they should easily hold their own up there if they want it now. A star for CATO or DAVOS would be the icing on the cake especially after this very lucky session where a young starlet has appeared from nowhere!! (Jammy Sod). When Huffo Puffo actually makes it to the **New Elvet** training ground (from one of many pubs/restaurants in the local area) he can see he has a fine talented bunch here. He's only missing a target-man in my opinion but fully P/S, three specialists, and a couple of wingers alongside stars, they could and should be doing a little better. Focus on the footy, not on the Fois-gras. It's been a decent season to date for Sandwich king Reiser and **Dutch Courage** with promotion firmly in sight. Whether they are strong enough for Division One is debatable but that probably won't stop them. He'll be hoping for a couple of futures from the Apps due to qualify to fatten out the squad for next season - they'll certainly need it.

7 NEWPORT PAGNELL	12	3	8	1	7	3	4	17
8 BRIGHTON EXPO	12	2	7	3	6	8	-2	13
9 REAL REMMIGEL	12	2	5	5	4	10	-6	11

If **Newport Pagnell** were not already a tough side to beat, with the addition of CHOLE they are very strong now. A trio of stars sets them up well and promotion is on the cards if they can turn some of those bloody draws into wins. Are they strong enough for Div One? I think they will struggle there but the manager is a canny old soul so who knows! **Brighton Expo** seem to be going through a bit of a transition here. That race up from the 4th has come to an abrupt end but a turnaround looks in sight again with plenty of quality throughout the squad. Mid-table finish here and push on next season I reckon. Managerless **Real Remmigel** are just waiting to be taken over. 3 specialists, two that have starred and money in the bank. This should be an easy recovery project for someone.

10 ZELDATREE	12	2	4	6	4	12	-8	10
11 VINO VILLA	12	2	3	7	10	14	-4	9
12 BISPHAM	12	1	2	9	7	28	-21	5

Mark Napier has the reins at **Zeldatree**, and from that once young man sat in the back of the motor smoking wacky baccy with Shaun Murray he's now emerged as a proper adult (though I could be wrong!) who is working hard to ensure survival here. The squad, like him, is getting on though, more work on youth required, and desperately needs to find a prolific striker, but plenty of cash to do it and a well-run wage bill. Scottie's all P/S **Vino Villa** are on the slide again it seems! Most of the vociferous fans that have blighted the managers motivation have stopped coming to games now with just 17,000 left inside the 80k stadium. It's a bit like little Oliver Jones shagging Stormy Daniels, there's just so much space in there. Not a star in sight so far, a bunch of oldies and just a bit of cash. School Report D-??but I still love him the old leather clad fella. Kiss Kiss? **Bispham** are on the way down again but that is where the rot will stop for Mr Hansford. They look decent enough to survive and maybe even prosper in Division 3 with a trio of stars and if they ensure REDONDO gets the rejuve, that will also help.

SWAMPY YODA, RASTAFARIAN AND WETHERSPOONS

NEWTON LEAGUE. DIVISION 3

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts

2 SPORTING PORTO	12	6	5	1	24	8	16	23
3 DAGOBAN HAWKS	12	6	3	3	14	9	5	21

Yes, they might be sitting pretty here but another man praying for some stars is our down under Lozza at **Ferencvaros**. Their trio of specialists are key as there is yet no youth coming through and a keeper that is National League level (perhaps League Div 2) at best. Has Lozza been drinking too much Fosters and Red Wine or are those missed pubmeets, you know, the one's where key strategies are shared, diminishing his technique! Time to get out of those budgie smugglers and visit the Shakespeare. Stewth! Harry Houdini Wells has the **Sporting Porto** fans absolutely loving it as his side goes from strength to strength. It wasn't their best week this one but

KICKABOUT NEWS

there's no way they won't win the division (famous last words!) and they'll do exceptionally well next year too. Only one complaint here and that's the 5,000-10,000 fans that can get in each game and instead head to the local Wetherspoons for a £3.99 pint and brekkie - time to expand for greatness (and more cash)! There's nothing swampy about this **Dagobah Hawks** side and we soon might have to rename the boss Yoda Read as he works his special powers with this bunch. They should be going up this season and should comfortably hold their own in Div 2, they might even do better than that. Money in the bank and a great wage bill here too.

4	DYNAMO TOOTING	12	6	3	3	11	9	2	21
5	VEGAN CITY	12	6	2	4	10	11	-1	20
6	SIRMIONE	12	6	1	5	17	15	2	19

18 years ago, whilst 'slowly' riding his recently stolen bike down Rosendale Road to the early morning lights of London, Matron Lewis said to himself, I will turn this **Dynamo Tooting** team around. Yesterday, sporting his newly acquired Rastafarian wig and 2nd hand bike with stabilizers, bought for just £9.25 and a packet of pickled you know what, whilst he did admire a few of his special players, he confessed, "it's still just not good enough is it". For a man with unlimited 'apparent' intelligence, things could be better. A trip to the shed needed here to find some inspiration methinks although two wins this week are a fooking miracle and perhaps hide how average they have been so far! Vacancy at **Vegan City**. Two specialists and a target-man here along with a bundle of cash. Still, plenty of work to do on the squad though. **Sirmione** are mid-table but are another side needing a manager. This lot are getting on a bit and could do with a rush of youth otherwise it's a long way down after this season.

7	BLACKBERRY RVRS	12	4	2	6	12	16	-4	14
8	LOWFIELDS FC	12	3	4	5	13	13	0	13
9	WANDERERS FC	12	3	3	6	11	19	-8	12

The momentum at **Blackberry Rovers** is certainly starting to shift towards the positive now as the club climbs away from the desperation of the last few years. Plenty of stars for Smithy here, more than any other team and full focus now on adding the kids for next season which could be even better. Got to be on the lookout for another specialist though if he wants to head back to Div 1 before we all keel over. KP's **Lowfields FC** are currently heading for a mid-table finish at best and with only two teenagers on the books it's looking like they could be heading to a crash next season. However, a couple of their key players are already signed up for that challenge and if FABIAN or SCULLY can join them, things would improve dramatically. **Wanderers FC** are struggling down the bottom end but really shouldn't be. No manager here but a plethora of talent to choose from and some kids ready to train up. It's an easy job for a steady hand - Samson need not apply.

10	HATHERSHAW FC	12	3	2	7	14	28	-14	11
11	R.Y.L. ARSENAL	12	2	4	6	15	23	-8	10
12	F.C GROOVUS	12	1	6	5	2	7	-5	9

It's a slow rebuild for Hugo at **Hathershaw FC** this season and with limited SP's its difficult work. Starting at the back though is the right way to go, a keeper on the way, a couple of stars, a FUT to coach,

things will seem a lot rosier in Div 4 next season (if they did drop) particularly if they spend some of their decent wad! Ring ring, "ello Mr Dempsey, I need that dressing gown back ya muppet" said Waddinghamham as he surveyed the wreckage his **RYL Arsenal** squad and said to himself "bollox, it's crap". "Things are not going too well here, despite my discovery, and I can't see any upward movement until perhaps I reach pension age, which is a long way off for someone as young and good looking as me". Not a star in sight, nor a teenager! Whatever happened to those cries of "Wadds is back and he's coming for ya". Work to do Johnny Cash. For **FC Groovus** it's looking like another trip to Div 4 is on the cards with a squad so thin it closely resembles the managers cuddliness!! If you put Messrs Molloy/Dakin/Mansell and Lawton in charge here they would probably walk away - the rebuild will take a while. Pull up a chair folks? Butts is on the case!

THRIFTY DUCK; MUSSELS AND FOREVER WOMBLING

NEWTON LEAGUE. DIVISION 4

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 ALDERAAN FC	12	6	4	2	19	4	15	22
2 SHETTLESTON FC	12	5	7	0	14	1	13	22
3 ATHLETIC LIONS	12	5	5	2	24	6	18	20

Alderaan FC currently occupy top spot but it's a close-run division and things can change quickly here. ROSBERG and ZHOU MIN are the managers biggest dilemma; if one stars, one rejuvenates and bob's your uncle. If not, who knows! A little bit of tidying up to do but with half the season left and RUMECU and SOLO ready to coach through they are still an improving side. **Shettleston FC** are 2nd on goal difference and very likely to go up in 1st or 2nd. They are one of only 3 teams without a league defeat to date and one goal conceded tells you they are extremely tough bastard to break down. A star for MOIRPHY would be very welcome and ensure their Div 3 season is also a decent one. Time to bring the app's through now; though with £4m in the bank he can add a couple of 18-12's next season. Mr Wells is doing a remarkable job to have **Athletic Lions** sitting in 3rd spot; whether they can hold onto it I'm not sure with Ferguslie looking the stronger outfit. Having Womble as your derby team certainly helps (a 9 goal thrashing this week despite two red cards you naughty boy) but without a star to date half this squad may age fairly badly. Where's that fairy gone?

4 FERGUSLIE PARK	12	5	5	2	21	7	14	20
5 REAL SCORB	12	4	7	1	11	2	9	19
6 MIDLANDS HEATH	12	5	3	4	22	6	16	18

That ChrisBDuck fella is a true Scotsman if ever there was. A 51% wage ratio at **Ferguslie Park**? woof woof, so thrifty it's bordering on stingy. On the playing side, promotion is within reach and the solid midfield is a good base to go forward. A couple of stars and a bit of cash to spend, does he want to go up or will he stay for yet another season? I get the feeling he enjoys it down here! Compared to the threadbare piece of shit side that Mr Butler inherited when he took over this **Real Scorb** rabble, we are now in a different place. There's a full squad of players, a splattering of stars, cash in the bank and youth coming through with just one defeat to date and a couple of goals conceded. The former School Master gets a B+ for efforts thus far. He can have a A+ if he either gets an all-purpose or buys Cranners a

KICKABOUT NEWS

mussels and pint dinner one evening! You decide? We have a vacancy at **Midlands Heath** which could do with filling and youth added immediately with the cash available. Div 4 will be their home for a few seasons methinks.

7	BELLE VUE	12	4	6	2	10	7	3	18
8	GLENFABBA AFC	12	3	5	4	10	6	4	14
9	NEWTONBOROUGH	12	2	7	3	15	4	11	13

Barnie at **Belle Vue** has a plan and the fruition of that will be coming next season if he wants it. A huge bank balance is here to add another couple of specialists so we'll see what comes up later in the season when players start to offload their rejuvenation risks. An older MF/A/D picked up on the cheap would fit in extremely nicely here. Four stars and a brilliant fan base for a Div 4 side - very good work. **Glenfabba FC** are in caretaker Cranners hands at the moment and he's doing a sterling job focusing on the kids ready for next season. Mid to low table at best here but who actually cares eh! **Newton Borough** are managerless and have about 50% of a decent squad for next season in the pipeline. Money to spend though; if it's left in the kitty then bottom three looks probable.

10	NJF ATHLETIC	12	3	4	5	9	16	-7	13
11	SOUTHPORT KEWS	12	0	7	5	0	13	-13	7
12	WOMBLETOWN	12	0	0	12	0	83	-83	0

NJF Athletic have caretaker Cranners running the show and he's stripping the squad to build a cash balance. Still nowhere as rich as some but it's work in progress. Huddy's second-string **Southport Kews** are 11th and not going much higher for a while though I half expect they could head out of the bottom three before the season is up. He's still got to bring the fan base back up to scratch which a long-haul job; but the emergence of a decent little outfit can be seen in the making. Ah yes, the **Wombles** wamble every game; they might be rubbish, getting whipped every week and have no players (apart from one!) but Hails is doing a Hails and building his warchest ready to explode in a couple of seasons (maybe four or five!). The richest club with over £15m; that's growing nicely with a meagre wage bill of £44k supporting all these young app's filling the squad. 'Be patient' is the word on the street.

BOWLING ALONG

2nd round replay highlights

Well it took a penalty shootout but we finally got a winner as **FC Amazonas** edged out **Southport Kews**. A drab affair this one until HOLSTEIN's save from JULO-JODER sent the crowd wild. ***** SCULLY, the most talented player on the pitch by far broke the deadlock in the other replay as **Lowfields** won the game 1 - 0 against **Athletic Lions**. Dynamo Tooting await them.

THE LEAGUE CUP

Quarter finals 2nd Leg Highlights

A change in tactics from Bad Dad works a treat as they progress to the Semi's despite a 1 - 0 defeat. A good offside trap and strong forward line from **Sporting** just not enough for a Houdini recovery and **Boleyn** go through. ***** It's a close game between **Abbey Road** and **Burnham** with nothing in it and only a super solo goal from HURGARDZ separates the sides, weaving past 3 players and slotting home. 2 - 0 on agg and its one step closer to another trophy for Magic Mansell ***** One-way traffic at **Wandsworth Town** as

Manchester Devils have to defend for 90 minutes as a Brutus onslaught (minus any staircase) ensues. 3 goals in the end, but could have been more were it not for DAHOOL pulling off some super saves. ***** A WASHINGTON double is enough to send **Ferenghi** through as **Galway Gaels**, despite their best efforts couldn't find a way back into the tie, more restricted by the PD stance though and perhaps could have done without that.

SEMI-FINAL DRAW

Boleyn Boys vs Wandsworth Town

Ferenghi vs Burnham Down

(To be played on session eleven on neutral grounds with replays)

Bad Dad and Brutus will be very happy to have avoided the big two here and one of them can look forward to a trip to Wemberlee. Not sure who wins either of these - too close to call in my book.

TRANSFER TRAILS

I've mentioned the auction buys mostly in the Newsletter apart from good old Clubfoot Seamy heading to his close relations at **Blackpool FC** for £1m. Colly reckons he can turn the cuddly little fella into a superstar; not sure if he's talking about clubfoot or himself though! In private deals we saw Waddinghamham flog off his nephew Waddi for £1.5m to **Burnham Down**. Was this a last-ditch attempt for Mr Mansell to restore some youth to his side or he is going stir crazy waiting for that fairy?

MANAGER OF THE MONTH

DIVISION ONE: goes to manager **Cranfield** of **PSV Loftus**, it won't be often they get two wins here so the award goes to me this time.

DIVISION TWO: goes to manager **Jack/KP duo** of **Huddersfield FC**, keeping the juggernaut moving nicely.

DIVISION THREE: goes to manager **Matron Slowbike Rasta** of **Dynamo Tooting**, new positive performances, new bike, new rasta wig, old man.

DIVISION FOUR: goes to manager **Chrisbduck** of **Ferguslie Park**, hunting down the top three with a double over caretaker Cranners.

SESSIONS	MIN LEVEL

4 to 5	6

11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that player will be banned for life and you will lose him

KICKABOUT BITS

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO

- Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

KICKABOUT BITS

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

RANDOMNESS OF THE KA MIND

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure i haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the **PAYPAL** service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift **ALL** of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

wins for the **Hawks & Comp** almost settle this group though if **Bolton Wands** can pull off a shock result at **Comp** ???

Still all to play for here in what one might have expected to be the eaisest of the groups. **Ugle Betis** through after a draw against **Catton** who have to ensure they don't lose in their final match against the Sprouters to go through

We're back Craigins pucnhes the air after their crucial win at **Daggers**. But his side have to win their last game cos Daggers can still get to twelve points

Last game sees **Burnham** away to **Celtic** whose defeat of **Dakin** puts serious pressure on the latter. But if Nevada lose then Dakin can still overtake them and qualify. Both lose and **Danetown** could overtake them both

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Because of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with two season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!

MESSI QUICK LEAGUE - HAVERING TOWN

- Poor season for them this campaign, dropped by Bertie Barrett and mishandled by the Breznitz. Might be going down from the first but I think they will come straight back up.

CLOUGH LEAGUE -- RED STAR UNITED.

First division stalwarts get in near the top with this team. Something to build up from?

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 - sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
