

Uh Oh? here we go again!?

Not sure if that is the title for the Dizzy league one, or for writing another session 9 newsletter. Anyway, let's begin with the team that always win.

DISRAELI LEAGUE. DIVISION 1

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 COMP CITY	12	7	5	0	15	0	15	26
2 CHINTZ CHIANTI	12	7	4	1	16	3	13	25
3 CELTIC NEVADA	12	7	3	2	17	8	9	24

1-3

Comp City have guess what? yep moved into the lead at the halfway point. You'd have thought over the years that one of the other challengers would have worked out a way to keep pace with Mansell and his super team? The only team to beat them this century (yep, in the last 26 years!?) are Eastwood, who are also a very good team, but with no luck?

Anyway, onto Comp. 5 MF specialist, none of which have starred? but hey, 3 of them are teenagers!?. Only four stars, but one of them is the Eastwood manager's cousin (talk about digging the knife in). two sby GKs? No real cash left, and no real youth (other than those already in the first team), but tbh, Mansell is likely to dominate the rest of this season and future seasons? are you getting bored yet Warwick?

Chintz Chianti have led for a lot of this season, but they choked this session against Comp, and you can see the pressure is melting Samson's ice cream!?. They are also a class team, with 5 specialists (one of which has starred), and some very good risers that will be around next season. A little bit of cash, though nothing great, their youth coach is very excited about the 6 unqualified youngsters (fingers crossed John). As they have 5 stars already, it may be difficult for one of the all rounders to star, and that could be an issue next season.

Next is my downy young friend, everyone's favorite primate, Brutus and **Celtic Nevada**. Tough session for Ash as they lose to the bottom club, and also fall behind the leaders? but hey, behind you, smiling, and glint in his eye (from the dagger) is how he likes it!?!? 3 x all rounders is relatively lite for this division, but they are all relatively young to be able to sort of cope with no starring. One star is not good though, and he needs to satisfy that fairy. He has the cash to wine and dine her, and he has a couple of players he could probably sell to Fingers?

4-6

Ugle Betis are fourth. They looked like contenders this season, and have a cracking team that will be class next season too, but they have had a turbulent season in the board room, and after a bitch fight in the board, they are presently managerless? 4 all rounders, 2 of which have starred, a smattering of promising youngsters, cash, youth? blimey if only they had a manager?

Same goes for fifth and **Millwall**. Their lovely manager has moved to a better place (Bless you Peter), and at present no one has stepped in. Mr. Brooks always managed them expertly, not over stretching to ensure they would continue to develop. 5 stars, 4 specialists, cash to burn, youngsters, newly painted youth academy, mostly P/S. They are too far behind to challenge, but with the right management, they could still get to Europe (if customs doesn't take 6 hours!?)

Kings Town Ran had a banging session, with 2 wins that lifted them from relegation to mid table. They have 4 stars, 2 of which are MF power houses, and some youth that with a little coaching will secure next season. I tipped them for relegation, but Mr. Stevens may cling on to the top league by his finger tips (it's that close), and? AND? he has a little bit of cash! No one do a deal with him please!!!!

7-9

7 EASTWOOD FOREST	12	3	4	5	10	14	-4	13
8 GESSLE WARRIORS	12	2	6	4	6	8	-2	12
9 THE PUBLICANS	12	3	3	6	12	17	-5	12

Bottom half of the table, and we are usually looking at the rabble that are staving off relegation, but in the Dizzy we have class teams that really should not be down here!

In 7th is everyone's scape goat, **Eastwood**. We all regularly laugh at the trials and tribulation of Morten the manager, but he really has been unlucky? and it's not even a power team!? Just 3 specialists, but all classy, and one has starred (only star to date). Some cash if needed, all P/S, and Mogensen looks like he has fertilized well. They won't go down, but they need some stars and some youth to encourage the manager to plod on? and an exciting discovery? use that charm Morten, and invite the star fairy into the sauna!

The surprise in 8th is **Gessle**. After a number of seasons hanging around the top four, Mr. Read's team are slipping. They have good specialists, but none have starred, and there may be a decision required between Zummel and Antilles. They are a tad long in the tooth and only have 3 youth players that have showed promise to date, though some others may come through. With their lack of cash the manager may need to have a long hard ponder on what direction he would like to go (something to do in the 3 months between turns ??)

4 UGLE BETIS	12	6	4	2	20	8	12	22
5 MILLWALL FC	12	3	8	1	8	5	3	17
6 KINGS TOWN RAN	12	4	2	6	9	15	-6	14

KICKABOUT NEWS

Last of the almos'ts are **Publicans**. Another managerless team after Mr. Lawton did a Chansiri and left them for dead. They are team that came from the fourth division, and they are not quite good enough for the first, so if not this season, then next they are likely to slip back into the mire. Still Matete has starred, so there is a player to build around

10 MEGA-BYTE CITY	12	1	6	5	6	17	-11	9
11 GILLESPIE ROAD	12	1	5	6	6	20	-14	8
12 VINTAGE CLARETS	12	1	4	7	1	11	-10	7

Basement

Top of the relegation battle are **Mega Byte**. Mr. Sutton may be driving this team down a one way street to division two, but he has been collecting the fares (good cash), and there are small splatterings of youth that may survive the step up. Inccie is out for an extended period, and the debate will be should he be cut lose? Drop and come back for more another day?

What Wadders is doing with **Gillespie road** could only be described as qwarrrr. This team was mighty once, and tipped to win the league as it rose through the divisions, but they may well now be tipped to fade back. Quito Mex is class, but should he be sold, as there may not be enough SPs this season to do him credit. Cash galore that comes from the manager's retirement fund, but they need some youngsters before the dog chews through the safety rope of div 2 and they fall further.

Finally, propping all up, are **Vintage Clarets**. Manager McAuley prides himself on developing super teams, but Vintage look like they would be beaten by Bosnia Herzegovina ladies 2nd eleven senior walking football team? 2 specialists don't cut it at this level, and though they have three stars, they are the most unlikely hitman group of Dagg, Woeful Dennis, and a Komdom!? Those three sbys need coaching quick!

Medals galore!

DISRAELI LEAGUE. DIVISION 2

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 REAL ROYALS	12	10	1	1	36	7	29	31
2 SOUTHEND TITANS	12	9	2	1	33	3	30	29
3 RUSHEN UNITED	12	5	4	3	8	6	2	19

1-3

Two wins, plenty of goals, 5 stars (rain or shine!? Bo won't get that reference), 2 specialists ready for next season? medal are most definitely needed for **Real Royals**! Bos Karl is nearly there, and Sancho is class. I'm not sure about Sabueso, but I am sure Bo has learnt from history,- and

knows what he is doing. If they bring two more youngsters through they will be a full team for division 1, and could even match their highest finish of second! (they won't beat Comp though)

Hot on their heels are **Southend**. They were tipped to win this season, but have dropped two points behind Real. They are another Humphries project, rising from div 4 to the top, and they are very well managed. That said, they are a dirty team, and Utrecht is close to a lifetime ban!? Not sure if they are on Niel's get rid list, which would be a shame, and we would miss the pussy lover! Dewch ymlaen Niel!

Third on goal difference are Mr. Hails and **Rushen**. They had a tough season last one out, getting relegated, but Dave is slowly turning them around. They have a squad that can compete at this level, and they are better than the bottom three of the division above, but urgently need some youth, and Roblin to star, which is not easy when he is on the physio table. The other issue, unusual for a Hails' team, is the bank balance. If there are no more stars, expect a fire sale next season!

4 CROYDON COSMOS	12	5	4	3	17	16	1	19
5 KONINGSWULFAS	12	5	4	3	7	7	0	19
6 CLIFTON MAGIC	12	3	6	3	12	7	5	15

4-6

Croydon are fourth, having previously been in the top three. They had a good session with 2 wins, and with some riser stars, they will be hard to mark for the rest of the season. Youth is good, but cash is bad. Their manager needs to stop fiddling with his beard and get on with winning games.

Konningswulf have moved into 5th, and on the same points as the teams above them. The manager has been undercover as a Norwegian spy for the last 3 years, only emerging at the odd Nottingham Forest game as an alibi, and the pressure of the role may be affecting the team. They have 4 stars, and Diego is good for many seasons, but their youth training seems a little disjointed? hope I don't get disappeared for saying that? Cash is available (for late night entertainment) and the youth team set up seems to be benefitting from the pole dancing lessons.

Last of the top half (well it's a bloody long walk wearing jeans in this weather!?) are **Clifton Magic**. Three stars are always good, and 4 specialists make a good 2nd div team. If Roy the Boy gets going, then Colly could push for promotion, though the results this session will make manager take a golf club to Holycanute for his excessive disciplinary points. Clifton are a good team (despite this session, how could you loose to bloody QPR????), and will be there or thereabouts (depending on the height of the bar).

KICKABOUT NEWS

7	PETERS TOWN	12	4	3	5	14	10	4	15
8	GEE FORCE	12	4	2	6	12	15	-3	14
9	TALLIN TWISTERS	12	3	4	5	14	19	-5	13

7-9

Peters Town are 7th, but only on goal difference, and with a couple of bouts of dwarf throwing, could overtake Clifton. That said, I'm not sure Kev could see Colly, and he definitely should not lift him!?! They have suffered from previous relegation, and only have 4 fully fit players (at least on the team I can see). They have no stars, and a fair bit of dross that needs moving on, but that all said, the manager has spent well on three teenagers this season, and he has plenty of cash. Not sure if this is one of the teams KP is keeping, but they have potential with some luck.

Gee Force had a mixed bag, losing to BBB convincingly (an award is required!), but stuffing their old friend (Fnar). I kinda tipped Gee force for relegation, just because I was being childish and thought it would be funny, but Seamy has 5 teenagers who are around the first team, and two specialists who will be here next season if the squad is managed properly (just phone the Chislehurst help line!). Ananko will go, but Red Hed Morten is destined to be greater than Short Hair Jens, and Wob Lewis is marvellous!!!

Last of the maybes are **Tallin Twisters**. Another of those teams that were once great (they won the league twice, but hey, that was when Roni Size won the mercury prize, and John Major was still eating peas!), but they have now been deserted by everyone!? Managerless (Seamy didn't you manage them briefly?), they are actually an ok team and are loaded. Trexin is a class above their league position, though Weston has had his day.

10	UNDERGROUND FC	12	3	3	6	7	24	-17	12
11	NEPTUNE KNIGHTS	12	3	2	7	16	12	4	11
12	HIGHFIELD	12	0	1	11	1	51	-50	1

No hoppers

Top of the likely to pop are **Underground FC**. In their hey day they pushed Comp to within 1 point of the title, but they look destined to be listening to Mr. Butler's Whale music is a couple of seasons. The team name suggests the manager took them with him when he departed to lands a new, but I think the sun, sand, and suggestive marsupials have distracted Lozza from managing Underground. Lack of decent youth coming through, 3 old MF specialists, of which only one is fit, no cash, little in the way of followers? Oh dear?

Neptune Knights are drifting. I am not sure Mr. Napier is fully in the game, and the team show it. A shame if he is not, as they had a cracking 9-0 win this session, and only just lost at home. The first team is good, and Iniesta and Bonderov are good players, but with only 2 first team teenagers, there will be

trouble next season. Still, cash to spend, and if the Mark is still onboard, they can defo survive.

Aha! Finally found the Dave Hails project, **Highfield**. One would suggest that their one point this season was a good return, as the squad is, well, would Nieve be a good description? There are 4 good players, and Lerner is a good captain if not fully fit, but the rest of the squad is essentially there to avoid the crowd walking out!? Actually, the crowd may be better players? But? the cash is flowing, and if Oddessa stays, then I suspect when Dave gets to divi 4, it will be rebuild time (you do know that will be 2035 Dave?)

Blimey this is hard work!?- anyway, promotion more less decided

DISRAELI LEAGUE. DIVISION 3

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 DYNAMO TINSLEY	12	9	2	1	19	4	15	29
2 SAO PAULO	12	8	3	1	32	7	25	27
3 INTER ANNEALING	12	7	4	1	27	9	18	25

1-3

Ah, sorry Seamus, I was wrong, you didn't manage Tallin, you manage **Dynamo Tinsley**. Sitting top and pretty, Tinsley are another one of those once great teams, coming 2nd 3 times in div 1! Seamus took them over a couple of seasons ago, and you can see the change that is happening. Mostly P/S, 4 specialists, a banging goalscorer, they look good for the title as they are as good as many a div 1 team ? or do they??? They lost to QPR, probably as a QPR fan distracted the manager and bundled him into a taxi, they do need more teenagers (Ivel is class though), and they are being hunted by a grunting werewolf/ape type creature, and a mysterious man who keeps says " don't worry, this won't hurt, it's just a cucumber". Division three is both very good and very kinky!?

In second is everyone's favorite bouncy chest beater, Brutus and **Sao Paulo**. The team were given to our erstwhile youngster by a mystery benefactor who wanted to distract young Ashcroft so she could watch French/Chilean romantic dramas in peace. It seems to have worked, as the Helenian is making a good fist of it (look out Seamus). They only have 2 specialists, and 1 star, but they have 7 first team teenagers (with more on the way), and they are the best at scoring in the division (again, careful Seamus!). If the benefactor were to help with the tactics, this team could go far (and have a much better bank balance? I like to cheat!)

Last of the promotion buddies is DARTH Lawton and **Inter Annealing**. The manager jumped ship from the Publicans some time back, and after a custody case with his son, he forced himself into the Annealing hotseat like a hot cucumber through butter. The first team is a good one and would survive in div 2 once all the teenagers are up to speed. Lewis is a grand name of esteem and culture, and Lubi-Loub is both of

KICKABOUT NEWS

those, and slippery like a salad vegetable. Saying all this, I am not sure what Craig's plans are? A fair chunk of the team is old, and there is no cash? but hey, Fadey will know where his going (look out Seamus!)

4-6

4	Q.P.R.	12	5	6	1	12	2	10	21
5	DEEPING DYNAMO	12	6	1	5	14	10	4	19
6	PERTH CITY	12	5	3	4	19	21	-2	18

Chasing the top three like a blind psycho on beta blockers are Kev and **QPR**. I am not sure if this is an old Cranners team, as they have been shit for as long as I have written this newsletter, but KP is defo putting them back together. 4 fully fit specialists, a win over Seamus (the taxi worked), and a league cup semi final! The team is old, with only one first team teenager, but there is cash to get out of that predicament. And looking at the team, the groundsman is right to ask for extra funding to make the pitch silky smooth!

All hail **Deeping Dynamo** in 5th. The mightiest team in the land, only held back by their manager to ensure other players get a chance! A tough session for Dempsey as he came up against both Brutus and Fingers, not a menage a trois many wish to experience, and this has seen them slip away from the promotion race. A team built on traditional Wath values, they do hark back to good squads from the early 90s? P/S, one specialist, 3 FWS, and Salty Molly banished to another room!? They are a good team, but they need more stars and several more specialists to be a great team. Probably not quite there to challenge the teams above them

7-9

7	SPORTING AC	12	4	4	4	13	12	1	16
8	THESPS FC	12	3	3	6	11	17	-6	12
9	IPSWICH TIGERS	12	1	5	6	3	12	-9	8

Just outside the top half are **Sporting AC** and Mr. Ballantyne. Sporting were my dark horse at the start of the season, but they also had a tough session this time out and have slipped back. Chris has a good team here, with 4 very good teenagers, and another in the pipeline. Skibinska will lead the team for years to come, and he doubles well with Turko. Cash to spend means that Chris B could catch the teams above with some luck, but he may want to wait and give it a good go once the top three have departed.

Thesps have made a fortune for the bookies by being one of the favorites and then being tosh!? They should be much higher with the likes of Clambake, Zedal, and Holliday in their squad, and Haven knows how to score. They need youth, and a decent manager (who pays attention instead of travelling to Leipzig!?)

Great session for the game's greatest East Anglian (eat your heart out Butler and Gaz), as **Ipswich** gain 4 points and move out of the relegation zone. Fellow Rob once graced the top three of division 1 with this team, when Robbie Williams and Eminem were fighting out with Westlife for the best album, we

all had hair, and those leather pants were not quite so tight!? Ipswich have fallen on hard times since then, as the playboy manager has now become the playground Dad, and has little time to develop the team. That said, they are P/S and have 6 first team teenagers, but they need some stars, and a specialist or three to avoid another ignominious drop.

Almost the worst

10	J-REBEL FC	12	2	2	8	13	35	-22	8
11	BUSH JUNIORS	12	1	4	7	11	23	-12	7
12	CWMPALIS JEWELS	12	1	3	8	3	25	-22	6

Bottom three on goal difference are **J-Rebel**. They are almost a perfect Fingers team? 1 million over drawn, only 5 fully fit players, 9 players less than level 9 who are not sbys/apps, and 2 sbys that need coaching. PAUL!!!! Sort it out, J-Rebel were once your pride and joy!? So, sell Badnitz and Kaka (someone will buy them as their oldest player), sell Maradonna and Cooper, sell Bayeaux unless he is very creative? actually sell him anyway? buy a cheap sby GK, get relegated, come back up? matron lecture over!!!

Bush Juniors are next, and they have also had a tough session, though they did pick up a point. They are definitely good enough to get out of this position, as they have three stars, one of them a specialist, some cracking youngsters, and some cash to splash. Dennis, use that acumen from Glasgow, and relive the mighty days of One nil Dennis, you are still the number 1 Dane.

Finally, in last place are **Cwnpalis jewels**. The original winners of the Dizzy, they have been champions twice in the past. They did have some hope last season when a Viking invaded them, offered to make them great, and smiled a lot. But he reverted to type, stopped smiling, and chose instead to pillage Cwm to gain funds for an invasion of Poland (or maybe FCK?). They do have 4 stars and 5 teenagers, so will have 10 good players for div 4.

Stop winning games and practice your pool!

DISRAELI LEAGUE. DIVISION 4

...TEAM NAME...	PL	W	D	L	F	A	Dif	Pts
1 BOUNDARY PARK	12	10	1	1	40	3	37	31
2 WEST DIAMONDS	12	8	2	2	15	7	8	26
3 PANDEMIC CITY	12	4	7	1	6	5	1	19

Ok, so, I am knackered, I have to work tomorrow, and then get a flight to Eastern Germany to spend a very stressful day in Leipzig, and no one ever reads division 4 anyway, so this will be short and sweet.

Boundary will win the division? the end!

Oh for feck sake, ok, I'll write a bit more, but only because Peter, Paul H, and Hugo are nice guys, and Mr. Butler needs a new bed time story for his squads.

1-3

Boundary are a good team, but then you all know that as they beat Comp? yes, THEY BEAT COMP IN THE LEAGUE CUP (if that's not moment of the season then what will be!?). Mr. Barrett has built a great squad from the sale of his personal

KICKABOUT NEWS

pool table (the practice was just not working), and with Kyara sorted to make O'Moaner the oldest player, I can see them having back to back promotions. Shame they didn't have the luck in the League cup quarters!

Hugo has **West Diamonds** in 2nd and likely too far ahead of the crowd to be caught. One specialist may be a little light to seriously compete in division 3, but there is cash to strengthen when they go up. Texan is a good find when you are getting the SPs to train, but you will need more than 3 teenagers in the first squad by the end of the season to do well. May be worth picking up a couple of cheap FUTs Hugo?

Pandemic are third, and just ahead of the pack. They were a lovely team when I managed them, and to avoid a man with a silencer coming to my front door, they still are!? In Hardman and O'Brien they have a pair that will do well in the division above, but they do need a bit more youth to come through. No real cash available.

4-6

4	ASHBURTON GROVE	12	4	5	3	8	7	1	17
5	GEHENNA	12	4	5	3	5	6	-1	17
6	WALL STREET FC	12	3	5	4	9	9	0	14

Ashburton Grove had Oli Jones at the helm, then he left, then he came back, then he left? transitional?

McStay is staying though. Could do with some management, but there is some potential there? likely to be 6th I'd guess come the end of the season.

Gehenna are vacant of a manager, and it shows> Shepherds does his best to live up to his name, but the youth is all mid level APPs? not looking good.

Wall Street are also vacant, but they do they far more

7	PORTSMOUTH	12	2	8	2	5	5	0	14
8	GRIMSBY ACES	12	1	9	2	3	5	-2	12
9	CASTEL DISANGRO	12	1	8	3	2	6	-4	11

potential. Etief could be a great player, Williams is a great player, and Lurse and Verkle will create goals. Probably should be higher?

7-9

Portsmouth were a KP team back in the day, but have missed their manager greatly. They have cash, 4 stars, and some good youth, so they will surprise a number of the managed team in this division.

8th are **Grimsby**. Are we sitting comfortably? Ok, then I will begin. Once upon a time there was a strong and handsome leader, who was both loved and cherished by his clansman. They adored his leadership, and how he took them to great things, whilst ensuring they were all looked after, had comfy beds, pleasant music, cocoa at bed time, and were never told

off. But? a dreadful disease attacked Grimsby, and their Leader did not know what to do? He cherished and nurtured his fine team, but every new season they lost their ability to play football. "How can it be?", said the great leader, "these players are only 27-29, and yet they are only level 4s? how can life be so cruel to them?".

Actually, Grimsby aren't that bad, and really should not be below the three teams above them. Sort it out Bubble boy, before that whale eats you!

For **Castel Disangro**, please refer to the paragraph above, except Castel are shit and really do need sorting. Hurry up and come back to a weekend Mr. Butler, and we'll sort them out for you?

Lowest of the low!

10	PRESTON VILLANS	12	2	4	6	3	11	-8	10
11	CANINE CITY	12	1	5	6	5	19	-14	8
12	BODIAM CASTLE	12	2	1	9	6	24	-18	7

Preston Villans, the self professed worst team ever seen in KA, are on the rise? look out COMP!!!

Canine are only propped up by Bodiam, but actually they are nt that bad. They do have players that should be got rid of, and Bos Cam and Bos Pete are greedy bastards, but Peter does have a wad of cash. If you can bring in some youth Peter, then the future should be rosey?

Finally **Bodiam** prop up the league. Paul Hudson does have a job on his hands, and I am wondering what all those level 2 apps are doing? probably managing the crowd against walkouts? There is not cash, which is unusual for a bottom feeder, but Nevis looks class, and Loos has been around the block. I'd say you are better than several teams in this division Paul, so keep going.

End of the road for Boundary after such great heroics. They were so close this time, with Bergkamp missing a sitter in extra time, that then took it to penalties.- Amazing run though Mr Barrett!!!

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

KICKABOUT BITS

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc

The latest version now available at

<https://dodge.me.uk/markinfo.exe>

PLEASE NOTE THAT UNLESS YOU SUBSCRIBE TO
TEAMPICK/SHOMATCH THEN YOUR TEAMSHEETS WILL ALWAYS BE
SENT OUT BY POST. EMAIL TURNS ARE ONLY SENT TO TEAMPICK/
SHOMATCH SUBSCRIBERS

EMAIL CHAT LIST -. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io.

For others you do the same except put the league, name with Ka- in front of +subscribe.

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this

RANDOMNESS OF THE KA MIND

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure i haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

MONEY

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £63.75 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

YORK

October 2026 will not be in the lovely city of Sheffield.

I have been pressurised into moving it to the flood deluged city of York by Craig and Jens. They are organising things like a venue, reataurants and things to do.

I will not be there though)

8th to 11th of October

Jens, Gerard, Rob, Neil B & Craig are first men in

Pete Condon, Danny Smith, Seamus, Wadders, Cranners, Colly , Bo, Morten, Gareth, Tim & Nigel promise to be there

It will be a case of first come first served, ie those who pay get the places. So up to you Nerds. Anybody else interested let me know soonest

MAY 2027

12th to 15th

Kickabout will be forty years old in 2027,

By universal accliation it was decided at the xmas pubmeet that we will return to Norwich for the special one, it is easy to get to, every knows and enjoys it there

Jens, Seamus, Gerard, Wadders, Cranners, Chris Moore & John Samson all say they'll be there

To encourage the weaker bretheren amonsgt you to turn up for this during the weekend there will be a draw for a lifetimes membership for one of your teams

FUTURE DATES CONFIRMED

OCTOBER 2027 - GALWAY

MAY 2028 - GLASGEE

KICKABOUT INTS

THE INTERNATIONAL TROPHY

There will be two groups of six teams each playing the other once (remember an extra point for an away performance), There will then be a KO semi-final, for all positions and a final session of six games to decided the twelve placings

First the prizes,

WINNER - 500K

RUNNER-UP - 200K

BEATEN SEMI-FINALISTS - 150K each

Beating any HIGHER RANKED team earns your club balance 100K

Winning any game (though not on penalties) gains you an extra 1 MP for your club side

The international scene can be therefore quite lucrative for your club side and with the arrival of your free SUPER SCOUT on Session two this becomes even more lucrative as well. However remember that if you fail to put in any orders he will DISSAPPEAR and you can only get him back by submitting a set of orders next time, and asking fro him back, when he will re-appear at the end of that session you submitted the orders.

wins for the **Hawks & Comp** almost settle this group though if **Bolton Wands** can pull off a shock result at **Comp** ???

Still all to play for here in what one might have expected to be the eaisest of the groups. **Ugle Betis** through after a draw against **Catton** who have to ensure they don't lose in their final match against the Sprouters to go through

We're back Craigins pucnhes the air after their crucial win at **Daggers**. But his side have to win their last game cos Dagers can still get to twelve points

Last game sees **Burnham** away to **Celtic** whose defeat of **Dakin** puts serious pressure on the latter. But if Nevada lose then Dakin can still overtake them and qualify. Both lose and **Danetown** could overtake them both

REPRESENTATIVE CUP

The response from managers for S5 was pathetic. I decided to do away with all Rep leagues in the future which led to an outcry from managers to keep it. Even from those who hadn't bothered to send in S5 orders.

So we are going to run the rep league as usual starting on s7

Because of this the session five games will now be the last in the schedule played on Session fifteen

LET'S SEE IF WE CAN GET A PROPER TURNOUT FORM REP MANAGERS IN THE FUTURE STARTING ON SESSION SEVEN!!!

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGER'S NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with a season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!

PREMIER LEAGUE - **DARLINGTON** - First division outfit, not challengers but they do have nearly seven million in the bank to spend. Different kind of league Can you pilot them to the Champions Trophy and beat Real Madrid_

ROBSON LEAGUE - with the demise of KP, he has left two teams in this league vacant.

SMITH ATHLETIC are near the bottom of the third but have eight plus mill in the bank but

LEEDS UNI - are in line for division three promotion and have twelve mill plus in the bank, this is surely a side to whet the appetites?

**Odense
Nerds**

STARTING OUT TIPS

if you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 - sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
