Messi League - Session Four

Season 39

Tel: 01322589895 or 07470 132611 EMail: Kickdist@gmail.com

FOUR TEAMS YET TO CONCEDE IN THE THIRD DIV

AS YOU JOLLY WELL WERE

Yeah top six all involved in draws this session as nobody seems to want or be able to stamp their market on the top flight **Radford** still lead the way and along with **Real Ayell** have not yet conceded a league goal but nobody seems able to score manage goals so far.

First win first points for the **Stars** at the expense of the **Wampas** lifts them out of the relegation zone but a gap is starting to appear between the bottom four and the rest.

Mistique fall foul of the goal hungry **Sci Fi Elite** in an amazing eleven goal thriller. Manger Sutton pulling out his hair as after conceding just one in four so far his best defence hopes are shredded. They fall off the top of the second plunging to fourth. Very close here and nobody really looking as if they are nailed on at the moment.

Super Hudders sound out a warning to the rest at top of the third. They bash **Bermondsey** to the tune of six goals A fearful home record is building here as they go to the top of the division. **Clifton and Brecon** both move upwards Seven teams now covered by four points here.

Not one of the bottom four pick up a points, struggling times ahead for them as they all appear to be in heavy rebuilding mode

AUCTION FOR SESSION FIVE

. NOTE this first auction is different from all the rest, as it is Bosman style auction where you are bidding on the contract of that player.

THE COSman (Name MUST start COS or your bid will be ignored)

ie. I might bid 20k for player one and name him COS MAN - if I won this player he would join my side for 20k and arrive on a contract of 20k for 12 sessions.

You are bidding for the contract of the player x 12 sessions.

Example : if you offer 500k you will have to pay wages of 500k for 12 sessions (6000k) SO BE CAREFUL You could bankrupt yourself.

Winning bidders CANNOT transfer to other teams this season although you can sell these players to the non-league.

All these players have arrived with international bans due to their disciplinary problems and arrive with NIL nationality. ALTHOUGH they have all received psychiatric help they will all be more likely to face discipline problems in games, therefore there is an increased chance of a booking or sending off. ROLLING AUCTION LEVELS

The following are the minimum levels relating to each session for entering players into the rolling auction:-

<u>SESSIONS</u>	<u>MIN LEVEL</u>
1 to 3	5
4 to 5	6
6 to 8	7
9 to 10	8
11+	9

These are also the same levels which decide whether a player will go straight to N/L when out of contract rather than being put into the auction

Please note that from now onwards it is illegal to sell any player and then buy him back in the next three session FOR ANY REASON WHATSOEVER. If you do that playing will be banned for life and you will lose him

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus
player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MUTTERINGS AND MEANDeRINGS OF THE KA MIND

Just a reminder. for teampick users. Please get the match you are playing correct. Putting your cup game down as a friendly means I have to come out of the program to make sure i haven't made a mistake. It isn't rocket science to change the competition that you are playing in. PLEASE!!

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with a season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be

ROBSON LEAGUE - with the demise of KP, he has left two teams in this league vacant.

SMITH ATHLETIC are near the bottom of the third but have eight plus mill in the bank but

LEEDS UNI - are in line for division three promotion and have twelve mill plus in the bank, this is surely a side to whet the appetites?

GIORGIOS LEAGUE - Tailed off at the bottom of the first division **Tatooine** are in a much better state than they look. Power-skill, two all purposes plus two other MF specialists and a FWT they have four plus mill in the bank and are the top-rated side in the league!! Surely something to whet

STARTING OUT TIPS

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 _ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 _ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
