### Firming it up

Three times in a row as runners up, twice by one point is Bosie going to do an Arteta and finally win the tile. Well he's certainly powering away from the chasing pack this session and looking for an unprecedented foursome of titles. I honestly can't see anybody to touch him now as he goes six points clear at the top. The team that have stooped the **firm** over the last two seasons, **AC Mailan** don't look up to it this time out and might have to settle for second place.

Lots of decent teams in this division though and you have to hope that they are already panning for next season and a tilt at the **Firm** dominance.

A mention again for **SV Bottrop**. Mr Hansford star-studded team have had a poorish seasn so far, but four points this time lift them back into the top half of the table. Great effort to keep them in the upper aches of the division to be sure.

Here we go again, despite a decent session with his first victory and four points **Starbug Esme** look doomed again though they certainly closed up a bit this session. Mr Lewis's team go up and done like a gooseberry in a lift, He need to get a gripski. At least his team are very young which bodes well for the future, unlike fellow relegation candidates **Parisian**

Foxes They continue to be kept afloat by having a group of top players and shrewd wheeling and dealing. Games where they are involved though are always entertaining - at both ends of the pitch.

Only **Fiornetina** of the three promoted teams last season seem to have settled well in the divison.

### Three for the first

Yep looks like the second division promotion race is settling down to three sides saying, 'catch us if you can! **Leeds** ably led by super wadders are particularly strong away from home. six consecutive away wins is some going for sure. The Rhinos fans singing 'we're going back where we belong./ Surprise package **Endor Eagles** are just behind them. A side with plenty of cash to strengthen either this season or next, while the star-studded **Real Glimmer** are motoring well under the guiding hand of Mr Lawton. They are five clear of fourth placed **Camden** who have it all to do.

Interesting situation down at **Euston Phoenix**, looks to me as if manager MCAULEY has more than put his faith into youth for next season, a squad packed with young Wannabees. Will it pay off for him.

Good session for **Ordsall**. first way win at fellow bottom dwellers **FC Van Outen** along with a draw sees them lift out of the bottom three . the redoubtable FLORIDA COL doesn't seem to have done much for **Clifton** . perhaps a gamble too far for Colly.

Three etams locked on ten poaints at the bottom ahead of struggling dogs **Van Outen**. All have teams in reach of them so the likes of **Milpitas** have to look to their lauresl here .

### Stevens the controller

With the exception of **Red Star** all the top six had good sessions this time, so apart from the **Loftus**, there wasn't much of a change at the top of this division. Red Star plummet into the bottom half of the table. Their thumping home defeat was a chastening blow against promotion rivals **New Jersey** that is for sure.

Unbeaten and not yet to concede a goal , **Travellers Utd** are leading the way and looking good and look as if they might be in the process of shaking off the rest. **New Jersey**, in thumping form this session and **Galway Utd** are chasing but Mr Stevens seems to have it all under control.

Big move though form **Streamwood Town**. The manager seems to be getting it together after a few season's in the doldrums. A young team moving into the chase bodes well for the future doesn't it.

Have to make a mention of our old friend Mr Sutton. Decent season looking though perhaps not a promotion one and he's got his team nice and young for the future. Taking of youngsters the majority of the teams in the division have an average age under twenty. looks like some of you boys are thinking and planning but don't go over the top like **Antarctica** who look like they are playing a team full of apps!

Nice easy win in a dead tie for the **Firm**. As manager SMITH returns to **Chancellor** with a big sort out ahead.

**Port Glasgow** take the lead against **Swans** raising hopes of a fight back, but the visitors equalise almost immediately and from then onwards the home side always have a heavy task to make an impact.

Tremendous battle at **Bottrup** goes to extra time before a disputed penalty gives **Fiorentina** the breakthrough. Home fans go home seething and feeling they wuz robbed.

**AC Mailan** continue to dominate **The Warriors** who perhaps need to do some heavy work on their squad as they are not up to silverware winning at the moment

All deals completed successfully!

Is it the sign of a good manager when his side are found wanting that he moves strongly into the transfer market. Well WADDINNGHAMHAM does this session Two massive deals bring the experience SHADWELL and the uber experienced SCHISTOSE to the club. Will they be the deals that put **Red Star** back into promotion frey? MEGHAN moves the other way, young starlet form **Red Star** to Swan Districts. One for next seaosn and a proper challenge.

Interesting deals see **Canticles** increase the age of their squad bringing three older players to the club but are they going to improve the team . Still it gets rid of some older buys for the **Foxes**, probably making way for some ore infirm platers to arrive!

## CHAMPIONS TROPHY

### QUARTER-FINALS

#### OVER TWO LEGS (8 & 10)

Upton Park v Mailers  
Stalin City v Wamphyri Lords  
FC Firm v Salvation Fc  
Bitteswell v Global Titans  
!Some juicy Lucy ties there)

Turn up for the book there as despite dominating possession **Mailers** can't find the net whereas **Park** with less possession strike twice. Sets up an intriguing second leg.

Tight game at **Stalin City** where the **Lords** are in the driving seat with home advantage to come.

Inform **FC Firm** defo favourites now but **Salvation** give themselves a lifeline with that late score.

**Bitteswell** come up against a brick wall called STEAKNFRIES as the **Titans** keeper plays like a one to deny them bar once. Is Akhbar JENSEN going to fail again in his quest for the Champions Trophy?

**STANDING ORDER PAYMENTS** - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

**CREDIT CARD PAYMENTS** Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

**BULK PAYMENT OF TURN FEES** - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

### MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

---

---

**MARKING INFO** - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

The latest version now available at

### **SOCIAL MEDIA**

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

**FACEBOOK - kickabout online**

**and Twitter**

**Online Kickabout**

### **THE KICKABOUT COMMUNITY**

**EMAIL CHAT LIST** - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to [KA-kickabout+subscribe@groups.io](mailto:KA-kickabout+subscribe@groups.io). For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

# CONTRACTS UPDATE

---

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

**I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE**

---

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

---

## NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an \* by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an \* by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

# MANAGERS NEEDED

*We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.*

*All come with a season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!*

**PREMIER LEAGUE - DARLINGTON** - First division outfit, not challengers but they do have nearly seven million in the bank to spend. Different kind of league Can you pilot them to the Champions Trophy and beat Real Madrid.

**ROBSON LEAGUE** - with the demise of KP, he has left two teams in this league vacant.

**SMITH ATHLETIC** are near the bottom of the third but have eight plus mill in the bank but

**LEEDS UNI** - are in line for division three promotion and have twelve mill plus in the bank, this is surely a side to whet the appetites?

Nineteen years ago first Copenhagen weekend. Would you believe it with the exception of Heath & Barnish all these nerds are still playing the game

---

## **STARTING OUT TIPS**

If you are lucky you may have a couple of million in the Bank but that won't be enough to turn things around in a couple of sessions. You need to be committed to be in this for the long haul.

?Have a plan. Base your coaching on getting 2 SPS per session. If you get a few more along the way as the season progresses then great either cash them or coach an extra youth player. Aim to coach your APP's & SBY's to level 12's by seasons end. Better to have 3 17/18 yr old level 12's than 5 level 8's.

?Clear out the 24-4's etc. to get them off the wage bill as they will be on relatively high wages. Either sell them to other managers at below NL price (you will still benefit vs selling to NL due to wages). If you can't get a buyer then hold on to them and run their contract down before selling to NL by session 10 \_ sales to NL go to half price after that.

?Play 2 APPS or a SBY every game unless you have a realistic chance of winning but try to win your derby games. Keep your MP's for derby games, matches against fellow strugglers and for (hopefully) a bit of a run in the Bowl.

?Build up your cash balance. Keep building this until you have at least circa £8m. Try to pick up bargains (below NL value) from the auction so you can then sell them on at a profit.

?Invest money in youth. Don't rely on this producing multiple MF specialists, unless your name is Morten. What you will hopefully get is a few FUT's which you can coach at 0.5 SP per level or sell for cash. This is a good way of increasing your teams' skill level quickly.

?Choose a category for the team and aim to get all the players of the same category (P, S or P/S). Having a power team is easier to build up quickly as there are more of them, there are plenty of 95 BW's around and are cheap to buy. However, longer term you will need to change the category of them team as power teams don't become super teams.

?If you have players that don't match your chosen category look to trade them for another player who is. It is rare your team will be full of P/S players so if you have any it may be best to move them on to build up your cash balance or trade for another player.

?Look to get a good quality GK and SW. You may not win many matches but two level 12's at the back could bring in some extra SP's through 0-0 draws.

?Don't coach anyone over the age of 18 unless there is a really good reason to do so e.g. 23-10 MF specialist.

?You need a captain so you can afford one player over the age of 19 \_ hopefully your captain will star or get rejuvenated.

?Within 2 seasons you should have a team full of level 12's and a decent cash balance as a solid platform to start your ascent to being the next KA super team.

Good luck!
