MAGYARS BOUNCE BACK

Yes after losing top spot last session **Eschtergom** ease back to top spot courtesy of their superior goal difference form **Seaside Town**. What a battle is ensuing here though the top pair seem to be pulling away slightly. Still great session for **Comics** who if the title is beyond them might will find Cup success. Their derby defeat of **Stalin** suggests that after many seasons of being the bridesmaid the Lawton boys might have to settle for a place further down the wood pile

One side having a great run of form are **Red Star**. The SPENCER/AMSTERDAM combo stands out in a midfield of all the talents. They held **Seaside** this session and for manager HUDSON there is plenty to build on with that midfield running the show. Can they push on in later half of the season and get into third spot

Bottom three looking doomed. **Riversiders** at least picked up a point this session the rest nowhere and struggling

CRANFIELD SHOWS HIS METTLE

The bottom five clubs in the second managed one point this session as relegation haunts them, that is with the exception of **Rangers 68** who managed to win both their games and away from home. First game they should really have won with more ease as a 1-0 victory at **Applejack Utd** kept the result in doubt until the end. The second was more of a battle a two goal margin being perhaps more than they deserved at fellow strugglers **Everton**. Still the emergence of young striker BOS TOMATOES to score his first goals of the season one in each game bode well for them. The wins lifted the Hoops out of the bottom three and up to seventh. Pretty safe I'd say now.

With the bottom clubs picking up very little it meant the top dogs had good sessions. Only change was the demise of the **Canaries** who picked up the one point sliding to sixth in the process. **Midgard** pull slightly from the chasing pack leaving a gaggle of clubs fighting for third. Will the tight defence of **Catton** carry Mt. Moore to promotion or will one of the others like rising **Lilyputt** put a run together to take third from them?

WADDERS CHASING

At the top of the third its perm any three from four now to go up I would say, as the quartet setting the pace continue to keep on picking up points. Leaders **Cereal Killers** dropped two points but still looking odds on for promotion. **Tatooine Storms** edge closer, still unbeaten like the leaders but probably more interested in pulling clear of their rivals than anything else at present.

What a goal filled session for the DUNS, away from home they piled up thirteen goals filling their boots against struggling opponents. Goals galore super striker LEOPOLD leading the line and finding the net. Neither opponent could hold the line against the Seamy brand of attacking football. **Dun Duchathair** are looking a real attacking threat both home and away but they are still being tracked by **Bricktop Pigs**. Only goal difference separates them. A team who score goals for fun, another who are built on a strong defence. Watch out for the wire both of you. Manager WADDINGHAM licking his lips at the fight

An away victory for **Santiago** at last as they hit four at bottom side **Forever**. They zoom into mid-table cheering up the fans and manager ASHCROFT. Poor away record has held him back though

THE RANDOM MUTTERINGS OF THE KA MIND

For teampick users. When you are completing your turns via teampcik there is a fixture list it tells the program which comps you are in and what to spin up for your turn. There are some of you who ignore this. Am getting fed up with euro games in friendly fixtures. Whenever I see this I have to go and check whether I have made a mistake setting up the fixture list. So please sake a few seconds to get it right and **LET TEAMPICK KNOW YOUR COMPS.**

*note the above well, somebody
has already fallen foul of this and
suffered!*

FUTURE DATES CONFIRMED

OCTOBER 2027 - GALWAY

MAY 2028 - GLASGEE

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

CREDIT CARD PAYMENTS Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account. You can use either email address for this

BULK PAYMENT OF TURN FEES - remember if you pay £59.50 at one time (which can cover more than one team) you get an extra free turn credited to your account. This offer does not include shomatch/weekend/fast leagues/veterans leagues or special offers monies!

MARKING

From now onwards if you use last season's marking numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/ teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

SOCIAL MEDIA

We have finally been dragged kicking and screaming into the 21st Century , pity all dinsoaurs aren't like that and have upped our presence on social media sites. Links to our pages will soon appear on the web-site, but in the meantime we can be foudn on

FACEBOOK - kickabout online

and Twitter

Online Kickabout

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- infront of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with a season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!

CHURCHILL LEAGUE - KERNOW

PANTHERS second in division two and heading for promotion for sure

COME ON SOMEBODY GIVE

SEAMUS A KNEE TREMBLER

VETERANS LEAGUE - DYNAMO

MARIO - try something a little different.

It's a really difficult league that tests your acumen at team-building

SOMETHING FOR EVERYBODY TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged league matches should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the teampick maestro will change this
