

WORLD OF MONKEY ISLAND

SESSION ELEVEN

ONE FINAL MATCH - THREE TITLES AND PROMOTION BATTLES ON A KNIFE EDGE

With 17 matches completed and just one league game remaining, the Veterans League is heading towards a dramatic finale. The latest results have changed the picture considerably, particularly in Division 1, where Baboon Foxes have opened up a narrow lead, while Division 3 has produced a fascinating two-way title race.

DIVISION 1 - BABOON FOXES HOLD THE ADVANTAGE

BABOON FOXES HAR FORDELEN

Hvis du vil bli Månedens manager, må du vinne din neste kamp!

Baboon Foxes have put themselves in pole position for the Division 1 championship after an extraordinary run of form. Their recent victories include a 4_0 demolition of **Dross Island**, followed by a 3_0 victory over Blazing Saddles and then a remarkable 6_0 away victory against Allotmenters. That latest result was arguably the statement performance of the campaign. They now lead the division with 35 points, one ahead of both Explorers X1 and Dross Island on 34. The goal difference is also significant: Baboon are on +32, compared with +27 for Explorers and +18 for Dross.

Explorers still remain firmly in contention. Their recent 2_0 victory over Vulture Street was followed by a 2_2 draw with Inter Anatra and then a goalless draw away to Vulture Street.

Dross Island have had a more mixed finish. They beat Blazing Saddles 6_0 but could only draw 1_1 with Allotmenters before losing 3_1 to Baboon. Their final fixture is particularly interesting because they must travel to Mountain High.

The final fixtures are:

Baboon Foxes v FC Costa Diego

Explorers X1 v Isle of Doom

Mountain High v Dross Island

Championship odds, based on the table, recent form, goal difference and final fixtures, would be:

Baboon Foxes - 4/9

Explorers X1 - 7/4

Dross Island - 7/2

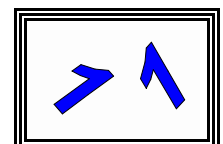

Baboon therefore enter the final weekend as the statistical favourite, but the title is absolutely not secured. A win against Costa Diego would put enormous pressure on the other two. Explorers know that victory against Isle of Doom could potentially take them to 37 points, while Dross must win away from home and hope Baboon and/or Explorers drop points.

DIVISION 2 - THE PROMOTION AND RELEGATION DRAMA

Division 2 is arguably the most complicated of the three.

Hobo Central and **Anatra City** have established themselves at the top of the promotion race, while **Phonetic FC**, **Guybrush Threep** and **Isla Teja** are battling for the remaining promotion place.

Hobo's recent form has been particularly impressive. They produced a 4_0 victory over Midnight Wolves before following it with a spectacular 6_1 demolition of FC Westeros. Anatra City have also been excellent, recording a 5_0 victory over South Sea Rover before beating Hebrides 1_0. Phonetic have quietly stayed in contention too, winning 1_0 away at Midnight Wolves, although their 1_0 defeat against Westeros means they cannot afford another slip.

The final fixtures are:

Anatra City v Guybrush Threep

Isla Teja v Hobo Central

Hebrides v South Sea Rover

Phonetic FC v Panglao

FC Westeros v Midnight Wolves

The key battle is for that third promotion place. Hobo and Anatra have given themselves some breathing space, but Phonetic, Guybrush and Isla Teja can all still affect the final promotion picture.

Promotion odds:

Hobo Central - 1/10

Anatra City - 1/8

Phonetic FC - 4/6

Guybrush Threep - 7/4

Isla Teja - 5/2

At the other end, Hebrides are already down and in serious trouble and face South Sea Rover in their final match. South Sea Rover, Panglao and Midnight Wolves are all involved in the fight to avoid the remaining relegation places, while Westeros have given themselves valuable breathing space.

The relegation battle could be particularly dramatic because Midnight Wolves look likely to escape, while Panglao and South Sea Rover need results of their own and help elsewhere.

DIVISION 3 - BARBARY COAST AND REAL ANATRA FC GO HEAD-TO-HEAD FOR THE TITLE

Division 3 has produced the tightest championship battle of all.

Barbary Coast and **Real Anatra FC** are both sitting on 38 points, with **Paroot Habashan** third on 29.

Barbary Coast have been superb defensively and recently recorded a 3_0 victory over **Burbage Moors** before beating **OFAH United** 3_0. **Real Anatra FC** have also been extremely difficult to beat, although their latest results include a 0_0 draw with **Tiggaki Redux** and a 3_0 victory over **Dynamo Mario**.

Paroot Habashan remain third and have an excellent chance of finishing in the final promotion position after their 2_1 victory over **Chang Seuk FC** and a 1_0 victory over **Chang Seuk** in the most recent round. They also defeated **Hookers Alley** 2_0 earlier in the run-in.

The final fixtures are:

OFAH United v Chang Seuk FC

Hookers Alley v Real Anatra FC

Showaddywaddy v Barbary Coast

Tiggaki Redux v Paroot Habashan

Burbage Moors v Dynamo Mario

Barbary and Real Anatra cannot afford to assume anything. Both have 38 points, meaning the title will be decided by the final results and, potentially, goal difference.

Championship odds:

Barbary Coast - 10/11

Real Anatra FC - 11/10

It is virtually a coin toss. Barbary have the slightly superior goal difference, but they have to travel to Showaddywaddy. Real Anatra also have an away fixture against Hookers Alley. **Paroot Habashan** are effectively fighting for third place rather than the title, but their promotion position looks extremely strong.

Promotion odds:

Paroot Habashan - 1/20

OFAH United - 5/1

Showaddywaddy - 10/1

THE KICKABOUT COMMUNITY

EMAIL CHAT LIST - yes, you can subscribe to our email discussion group. There is a list for general Kickabout topics, a list for each individual league, one for the vulcano, one for teampick subscribers, even one for the weekend players. Learn more about the game, talk to other players and the Gm. To subscribe to the main list send a blank email to KA-kickabout+subscribe@groups.io. For others you do the same except put the league, name with Ka- in front of +subscribe.

One thing to note about subscribing to the list, we post a regular schedule of where every league is in the processing schedule, when it is sent out, when the latest return-by-date is. This is of great help and if you have email you should really be receiving this.

MARKING INFO - Tim Dodge has put together a clever little program that allowss shomatch subscribers to gather all the international squads together each session so that you can use that info to get marking info. Shomatch/teampick subscribers get a file sent out a file with all the int squads listed and this program pulls them all together. Makes it easier than ploughing through back newsletters, etc.

FUTURE DATES CONFIRMED

OCTOBER 2027 - GALWAY

MAY 2028 - GLASGEE

SUMMAT TO REMEMBER

It seems that even old stagers of the game still can't work out what order games are to be played in. SO emblazon the following on your minds please

ORDER OF MATCHES IS

LEAGUE GAME ONE

LEAGUE GAME TWO (which is where any re-arranged maxcth should go)

ALL CUP GAMES (including Cup/Bowl/ Trophy where the latter is always last if you have a Bowl or cup game as well)

LEAGUE CUP GAMES

EURO GAMES

FRIENDLIES

(If you look at teampick you will see that you CAN edit your fixtures as well to tell the program what games you are playing this session and it will put them in the correct order, OK)

NB In teampick trophy games come after League Cup it appears. Please realise that they don't. In the fullness of time the temapick maestro will change this

THE RANDOM MUTTERINGS OF THE KA MIND

Just a short one chaps. It's your responsibility to get your orders in by the deadline. IF I HAVE TIME I will send a reminder but if I don't complaining will fall on deaf ears. GET YOUR ORDERS IN ON TIME.

THE LEAGUE CUP

Decided to add a League Cup to the schedule for next season.

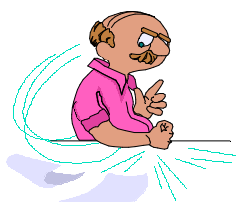

It will start on Session 2, and continues on S5/7/10/12

All games will be straight KO with no replays and will all be played on neutral grounds

Add a bit of interest to theleague and more options for success!

STANDING ORDER PAYMENTS - you can also pay your turn fees by standing order now. Contact us for details about how to do this and remember that this is not only the way to spread your payments over the year rather than having to find a lump sum at the start of every season, but it is also the way to avoid those dreaded double turn fees. With SO payments this can't happen.

MARKING UPDATE

We have worked out a system to check on anybody who is using last season's marking numbers for the current season. Basically the program will save a list of all valid marking successes each session and if somebody cries foul, that he has been marked by somebody who hasn't scouted him, we can check and say yea or nay.

So from now onwards if you use last season's numbers then you will be found out AND if guilty the result of the game will either be reversed or decided against you.

CREDIT CARD PAYMENTS

Can be made to us using the PAYPAL service. So if you want to pay anything by credit card then you could register with them and give it a try. Also note that if you send your payments as a gift ALL of the cash reaches us without any paypal fees being charged at our end and all is credited to your account.

You can pay by card/paypal through our new web-site

kickaboutonline.co.uk

or direct on either email address via [paypal](#)

CONTRACTS UPDATE

So from now onwards if your prized player is on the last week of his contract

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

Then there is a wage that if offered he will ALWAYS accept.

This has to be calculated by you (Oh shite!!)

The formula is as follows :

3 X basic wage where the basic wage = player level X PS Bonus X Div Bonus X POS Bonus X Type bonus

player level is obvious

P/S bonus increase the basic wage by 20%

Div Bonus - 125% for div 1/ 110% for div2 / 100% for divs 3/ 75% for div 4

Pos bonus refers to STARS/FUT/SBY which require 50% uplift

Type bonus is equal to the players expected wage rates , ie MF/A/D x3 - **Df/A X 2 / UT/WG/FWS x1.5** / GK SW X 2/ FW/MF/DF X 1

AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

as an example a DIV ONE 20/12 PS MF/A/D STAR would require a wage offer of **OVER** basic wage (81K) X 3 to accept unconditionally , i.e. 243K+ per week

or a 20-10 DIV THREE S DF/A would require a wage offer of **OVER** basic wage(20K) X 3, i.e. 60K+

On the last week of the contract there is no optimum length of contract though we suggest you opt for four weeks so you have time to bid again

I REPEAT - AND THIS ONLY RELATES TO THE LAST WEEK OF HIS CONTRACT PLEASE NOTE

One last change to note as well. In future at whatever stage of the contract negotiation you are at with a player, the min he will now accept is one third+ of his basic wage

so in the MF/A/D example a bid under 27K+ will be rejected, the DF/A minimum is 6.66K+

NOTE THIS WELL ALSO

In the calculations above where it refers to WAGES, this also refers to wages + any experience the player as. This means that you are NOT ever sure about the calculation. Not that important for a normal player who does not have an * by his name, but where specialists are involved it can be important. So we suggest that when offering a contract to a player who is a specialist or has an * by his name, you add something extra to the calculation. I would say 5k is a good rule of thumb

MANAGERS NEEDED

We have some teams that badly need a guiding hand on the tiller so to speak. Something to keep you busy during the summer and when your footie interest is piqued by the world cup.

All come with a season's free credit and to wet your avaricious appetites if you send cash for ONE other team at the same time we'll double it. (any one other team that you run, can't be bad can it soldiers!
